In the Midst of God'S Grace, He Gave Me.....You. Shayla Blankenship,2011-10-12 Timothy John found out about us the night of our argument John was on the balcony listening He said he heard most all of what we said to each other Timothy I have been torn down to rock bottom for betraying him Timothy I need you again I need for you to help me through this terrible chapter of my life Timothy held me so close and shed tears for me and for John I never wanted John to know Elise I am so sorry about this whole ordeal but I will never regret having you for mine at least for the amount of time that we did have Love never dies I told Tim It may

sometimes lay dormant in our souls but will always live in our hearts Timothy we must wait and I must choose Time will tell just how our paths will go I told Timothy that I had never been so torn between one love and another You understood that didnt you Timothy didnt you It was always Timothys love that lay dormant in the back ground of my heart I would not tell him this Soon it would be time that would make the decision for me and regret would leave me with such inexpiable guilt that would trouble my soul to the depths of the earth

The Great Omission Dallas Willard,2006-06-13 The last command Jesus gave the church before he ascended to heaven was the Great Commission the call for Christians to make disciples of all the nations But Christians have responded by making Christians not disciples This according to brilliant scholar and renowned Christian thinker Dallas Willard has been the church s Great Omission The word

disciple occurs 269 times in the New Testament writes Willard Christian is found three times and was first introduced to refer precisely to disciples of Jesus The New Testament is a book about disciples by disciples and for disciples of Jesus Christ But the point is not merely verbal What is more important is that the kind of life we see in the earliest church is that of a special type of person All of the assurances and benefits offered to humankind in the gospel evidently presuppose such a life and do not make realistic sense apart from it The disciple of Jesus is not the deluxe or heavy duty model of the Christian especially padded textured streamlined and empowered for the fast lane on the straight and narrow way He or she stands on the pages of the New Testament as the first level of basic transportation in the Kingdom of God Willard boldly challenges the thought that we can be Christians without being disciples or call ourselves Christians without applying this understanding of life in the Kingdom of God to every aspect of life on earth He calls on believers to restore what should be the heart of Christianity being active disciples of Jesus Christ Willard shows us that in the school of life we are apprentices of the Teacher whose brilliance encourages us to rise above traditional church understanding and embrace the true meaning of discipleship an active concrete 24 7 life with Jesus
