

A photograph of a paved road that curves gently through a dense forest. The trees are tall and thin, with dark trunks and green foliage. The road is dark asphalt, and the ground on either side is covered with brown pine needles or leaves. The lighting is soft, suggesting a slightly overcast day. Overlaid on the center of the image is the text "seek GOD" in a white, stylized, handwritten-style font. The word "seek" is in a cursive script, while "GOD" is in a bold, rounded, sans-serif style.

God We Seek:

In God We Trust B. B. Hicks, 2019-03-29 Today we are facing insurmountable problems because we have taken God out of our homes schools churches and now our nation Have we taken God out of our lives Have we become too busy for God Are we so preoccupied with the cares of this world or the things of this world that we don t take time or make time for our God In *In God We Trust* is based on the fact that America started as a nation trusting God and author B B Hicks goes on to look at where we are today as a nation as a church and as people of God In *In God We Trust* teaches us about how to get to know God trust God and turn back to God And most importantly it will help us learn how to stay connected to God In *In God We Trust* is a clarion call to the nation as well as to the church to turn back to God We as people of God need to put first things first and God should be first in our lives We should perform a self assessment to determine what are our priorities and what is first on our agenda The Bible tells us that God is a jealous God and he wants to be first in all things Exodus 20 4 5 Through Jesus Christ we can learn to put God first **Is It I, Lord?** James O. Chatham, 2002-01-01 This book offers an excellent introduction to the mystery of God s call into ministry Anyone who is struggling with a call who doubts the call they have recieved or are considering ministry as a vocation will benefit and be inspired by James Chatham s *Is It I Lord* **A Light to My Path** Joshua Gonzales, 2024-08-29 This book is about being faithful until the end to remind the Body of Christ to remains steadfast in Gods word and his promises encourage us to live a Godly life try the promises in this book see if they work I know they will work in your favor God does not promise us a rose garden he does promise us eternal life for those who accept him as their Lord and Savior and invite Jesus into our heart I am praying that you will be inspired and encouraged by the promises God gives us that isa living hope in a very difficult world he Loves you and Wants a relationship with you to put you on the right path *One Hundred and Ninety Sermons on the Hundred and Nineteenth Psalm* Thomas Manton, 2024-04-28 Reprint of the original first published in 1845 *Prayer: A Force That Causes Change* David Williamson, 2009-10-02 Why prayer Prayer is an expression of needs and faith but also a way to build a long lasting relationship with God In this third volume of *Faithful in Prayer* David Williamson shares a series of articles that encourage prayer that with God s answers can transform the seemingly impossible into something very possible Williamson is a regular speaker on prayer and Christian living and through personal anecdotes and applicable scripture leads others through the foundation of faith ways to build faith for effective prayer and how to make a stand through prayer Intended to motivate others to think and dream big Williamson s articles teach specifically how to Believe God over the evidence Deal with unforgiveness Protect the heart to keep out doubt Be bold in prayer and allow God to work Live how He says we should live God is calling for men and women to join with Him in the work through prayer and action *Prayer A Force That Causes Change* provides the encouragement empowerment and grace so that others can be successful in prayer But Jesus looked at them and said to them With men this is impossible but with God all things are possible Matthew 19 26 NKJV *Confident Faith* Mark Mittelberg, 2013 In

Confident Faith Mark Mittelberg assures Christians that we can be confident in our beliefs There s no reason to be timid about what we believe because our beliefs can stand up to the test Truth isn t dependent on how a person feels or one s own point of view as so many assert On the contrary we can determine truth through our five senses and that truth reliably points to a deeper and unseen reality Mark walks readers through twenty arrows that point towards Christian beliefs from the intricate design of the universe to archaeological proofs from the consistent testimony of changed lives to the reliability of the ancient documents of the Bible After studying these arrows you ll put this book down with a renewed confidence in what you believe and why it matters for eternity

Expositions of Holy Scripture: Psalms Alexander Maclaren,2019-11-25 In Expositions of Holy Scripture Psalms Alexander Maclaren offers a profound exploration of the Book of Psalms unraveling its theological richness and emotive power Maclaren employs a sermonic style intertwining critical exegesis with personal reflection making each exposition both accessible and deeply reflective His keen insights into the structure historical context and spiritual implications of the Psalms demonstrate an unwavering reverence for the text as sacred scripture while his eloquent prose captures the beauty of poetic expressions of worship and lament Alexander Maclaren 1826 1910 a Scottish preacher and theologian drew upon his extensive pastoral experience to craft this work reflecting a lifetime of engagement with scripture His diverse educational background coupled with a commitment to the spiritual edification of his congregation shaped his approach to biblical interpretation Maclaren s understanding of the Psalms as both ancient hymns and contemporary prayers allowed him to bridge the gap between theology and devotion inspiring countless readers to find meaning in their own spiritual journeys I wholeheartedly recommend Expositions of Holy Scripture Psalms to both scholars and lay readers alike Maclaren s poetic eloquence and insightful commentary invite reflection and foster a deeper connection to this timeless text ensuring that readers come away not only with knowledge but also with inspiration to enrich their own spiritual practices

Called to Bless Robert D. Cornwall,2021-09-29 What does your spiritual DNA look like In terms of your spiritual identity where do you come from and where are you going We live in an age when many Christians have experienced several denominational and religious communities Many wonder what to do with these experiences At the same time many congregations are made up of people who come from different traditions and the question is how to bring these diverse experiences into the life of the congregation in an enriching way If we take as our starting point the call of Abraham and Sarah to take a journey to an unknown land with the promise that their descendants would be a blessing to the nations what might this look like in terms of our spiritual lives Join with the author as he draws on his spiritual journey that has taken him into several denominational traditions as well as his experiences as a pastor and historical theologian to discern values and concepts that can help congregations and individuals make sense of their diverse spiritual experiences so that together we might fulfill the Abrahamic calling reaffirmed in Christ to be a blessing to the nations

Between the Dark and the Daylight Joan Chittister, 2015-02-24 There is a part of the soul that stirs at night in the dark and soundless times of day when our defenses are down and our daylight distractions no longer serve to protect us from ourselves writes beloved author Joan Chittister It s then in the still of life when we least expect it that questions emerge from the damp murkiness of our inner underworld These questions do not call for the discovery of data they call for the contemplation of possibility In words as wise as they are inspiring Between the Dark and the Daylight explores the concerns of modern life of the overworked mind and hurting heart These are the paradoxical and often frustrating moments when our lives feel at odds with everything around us Only by embracing the contradictions Chittister contends may we live well amid stress withstand emotional storms and satisfy our yearnings for something transcendent and real By delving into the chaos this book guides us through the questions that seemed easier to avoid and enlightens what has been out of focus With her signature elegance wit

and spirit the bestselling author of *The Gift of Years* and *Following the Path* opens our eyes and hearts in these times of confusion With simple and poignant meditations *Between the Dark and the Daylight* reveals how we can better understand ourselves one another and God

From Adam to Noah-The Numbers Game Leonard Timmons,2012-01-05 The genealogy of Adam in Genesis Chapter 5 is a number puzzle that encodes a fully functional calendar From Adam to Noah The Numbers Game shows you precisely how the Bible writers encoded a calendar into the ages of Adam and his children in Genesis 5 It then goes on to show how the Bible writers designed their calendar puzzle so that anyone who managed to solve it would be certain they had the correct solution Proof of a highly accurate calendar encoded within the numbers of Genesis 5 is a revolution in our understanding of Genesis It allows us to dramatically revise our understanding of the entire Bible To truly understand why a calendar puzzle exists within the Bible we have to explore the reasons why someone several thousand years ago would enshrine a calendar in such an ingenious puzzle That exploration leads to new and insightful interpretations of each of the stories in Genesis 1 to 11 The creation Adam and Eve Abel and Cain Noah s ark the story of Noah and his wife and Tower of Babel story Most of us have been taught that the Bible was written to be understood The existence of the calendar puzzle forces us to recognize that those who wrote the Bible hid things there that they did not want everyone to understand They hid a world view that they never state explicitly We will find that this philosophy inspired them to create the calendar puzzle and that the way they viewed the world is more important and more fascinating than the calendar itself In this book you will experience what it is like to discover something very new hidden within something very old You ll discover that this new thing was ancient knowledge when the Bible was written Remember the story of the pearl of great price A merchant upon finding a pearl of great value sold everything he had and bought it The calendar in Genesis is such a pearl If you re looking don t miss this chance to own one
