God Where Are You Rediscovering The Bible:

God, Where Are You? Carlos Mesters, 2003-12-09 God where are you is a question many of us ask at many points in life usually when we don't know what path to take or where to turn in despair In *God Where Are You* Carlos Mesters suggests that to answer this question we should turn to the place turned to again and again throughout history the Bible itself *God Where Are You* provides a way to approach the Bible as millions of ordinary people have for many hundreds of years Carlos Mesters suggests that the Bible can be considered the Christian family album and its contents a guide for discovering who we are where we came from and of course where God is in our lives Scholars may study and debate argue and date searching for the perfect answers to who wrote down which part of the Bible and when but this is not the total of what the Bible is *God Where Are You* shows that it is the people of the Bible and the stories of how God touches them that have the most to tell us Mesters looks at the stories of Adam and Eve Abraham Moses and the prophets as well as the story of Job and the Psalms of David from the Hebrew Scriptures Then he turns to the Gospels the Sermon on the Mount the Parables Miracles and Life of Jesus Throughout he shows how the Bible in speaking about people also speaks about God being always firmly in their midst
