

The background of the cover is a photograph of the New York City skyline at dusk. The sky is a deep, dark blue, and the buildings are illuminated with warm, golden lights. The Twin Towers of the World Trade Center are the most prominent features, standing tall and slightly hazy in the distance. The overall mood is somber yet hopeful.

Gods Grace From Ground Zero Seeking Gods Heart For The Future Of Our World:

God's Grace from Ground Zero Jim Cymbala,2001 Offers spiritual guidance for finding hope in the midst of grief after the tragedy of the September 11th terrorist attacks

The Church God Blesses Jim Cymbala,Stephen Sorenson,2010-12-21
God Is Looking For A Church To Bless God wants to transform his church into a people of power joy and peace Jim Cymbala reminds us that Christianity is only as strong as the local church and that God wants to bless our churches in ways we can't possibly imagine It doesn't matter whether a church is alive and growing or barely surviving on life support God has a plan for it It doesn't matter whether a church is facing financial challenges internal divisions or strife among its leaders God has a plan for it God is able to deal with any problem a church will ever face as long as his people earnestly seek him As the pastor of The Brooklyn Tabernacle Cymbala knows that God's blessing and grace is available to us today just as much as it was in the early church when thousands of people became believers despite the fact that the church lacked everything we consider vital church buildings seminaries printed materials sound systems choirs and money None of these things mattered What mattered was that God's hand was on the church working through his people to build the kingdom Then as now God chose the church to manifest his presence to the world In this companion book to *The Life God Blesses* Cymbala describes the kind of church God wants to bless and use Based on the Word of God and personal experience *The Church God Blesses* describes the key elements found in a vitally alive church and offers church leaders and individual Christians a fresh and invigorating look at what God intends the church to be The church God blesses is not necessarily the largest newest or loudest church in town Instead it's a place where believers Receive solid spiritual nourishment Can trust in God's protection Engage in vital praise and worship Become effective in ministry Learn that confession of sin is the channel to God's power

What's That Noise? Theodore J. Sanborn,2010-11 God spoke to Moses Paul and other spiritual giants of the Bible Does he also speak to each of us Is it possible that he's communicating to us but we don't recognize his voice New author Theodore John Sanborn addresses this theme in his inaugural book *What's that Noise Listening for God in a Busy World* Sanborn draws us into the topic with thoughtful questions regarding our beliefs and applies his own experiences to craft a compelling case for the reality of God's desire to converse with us Hear his story and consider how God might be trying to communicate with you
