Pink,1922 *They Never Told Me This in Church!* Greg S. Deuble,2006 There is a consensus among many New Testament scholars that much of what the historical Jesus and his apostles taught has been submerged by an influx of post biblical tradition Subtle foreign influences mostly from pagan Greek philosophy which neither Jesus nor his first century followers would recognize or endorse have obscured the original Gospel as Jesus preached it Most churchgoers accept without question unbiblical traditions which they have never seriously investigated In *They Never Told Me This in Church* Greg Deuble invites the reader to a careful re examination of the faith once delivered in the light of the Hebrew heritage which formed the framework of all that Jesus taught in regard to himself and his Gospel mission From the Foreword This does not mean at all that Greg has given up faith in holy Scripture Far from it There is nothing trendy or gimmicky in his approach Rather he has learned to read the Bible from its own Hebrew perspective and shedding a large quantity of traditional baggage has made the Bible all the more brilliant and telling Because he is an honest student of truth Greg has been rewarded with unusual insight He has a knack of getting to the heart of the issues He has brought in a wealth of modern scholarly support for his argument and the quotations gleaned from his wide reading are impressive He adds a pleasing dose of Aussie humour to his writing while he invites us to re examine all the major issues of biblical theology The personal warmth of the author and his pastoral touch are evident in all he writes *They Never Told Me This in Church* will inspire and challenge all who claim devotion to Jesus and many who are searching for the meaning of his role in history They will be enabled to read the Bible with new eyes The confused state of divided Christendom in our time demands just such an honest and radical investigation **Praying The Names of God** Paul Grams,2005-11-22 This book is a daily devotional book in which you will examine one name of God each day of the year and then pray that name throughout the day You will also see the definitions of the original Hebrew Aramaic or Greek words that make up these names The names all come from the King James Version Bible as do the many quotations that are included to show the proper context in which the name is used I have attempted to locate every name of God Jesus and the Holy Spirit

from Genesis through Revelation So join me on a one year journey through the Bible I hope that your journey will be as insightful for you as it was for me *China Sunday School Journal* ,1919 **Notes on the Book of Genesis** Charles Henry Mackintosh,1878 *THE TRUTH OF THE ORIGIN OF THE UNIVERSE* Sabrie Soloman,2024-06-12 God s Signature in DNA The Rapture The Great Tribulation Armageddon War World War III The concept of God s signature in DNA is a fascinating topic that explores the intricate design and complexity of the human genome Many creationists and religious believers see the complexity and precision of DNA as evidence of an intelligent designer or creator pointing to the existence of a higher power The idea that DNA contains a signature of God s handiwork is a theme often discussed in religious and philosophical circles highlighting the wonder and mystery of life itself Moving on to the topics of the Rapture the Great Tribulation and the Armageddon War these concepts are deeply embedded in Christian eschatology or the study of end times The Rapture is believed to be the biblical event where believers are taken up to heaven to be with God before a period of tribulation and judgment on earth The Great Tribulation is a period of intense suffering and turmoil that is prophesied to occur before the final battle of Armageddon believed by the author to be World War III These apocalyptic beliefs have captured the imagination of many believers and have inspired countless books movies and religious teachings While interpretations of these events may vary among different Christian denominations the underlying message of hope redemption and faith in the face of adversity remains a central theme **The Phrenological Journal and Life Illustrated** ,1875
