Mumba,2014-12-15 There are dominion forces in our atmosphere that people can be subjected to and these forces can make them alien to natural and evil forces that dominate human life This dynamic enablement comes about when a persons soul anchors itself to the real source of life The soul is a spiritual embodiment of knowledge and emotion in man A soul is a search engine in man it seeks a resting place to which it can attach itself so it can draw out the virtues of knowledge and emotion When a persons soul is changed everything about that person takes a different route Mans nature changes only when a complex soul is achieved The soul draws from blood its ability to unite with another soul to form a complex soul Without blood the soul cannot find its resting place and cannot be changed This is why the first requirement in the salvation of man is blood And the blood of salvation needed to have different contents from the usual human blood on earth The contents of the blood of Jesus can make people live like Martians in this world Common human blood is highly wicked and only leads man to

unite himself with wicked spiritual forces to form a soul that is dominated by evil **Guilt** June Hunt,2022-02-01 Guilt Living Guilt Free Do you feel free unburdened by sin and guilt Or are you still dealing with guilt Still dealing with shame Are you living life with a master list of Do s and Don ts in your heart When your faith produces false guilt and shame rather than reduce guilt then you may have adopted a wrong perspective of God thinking he expects you to be a perfectionist This Christian book Guilt by June Hunt shows how to trade the burden of guilt and sin for the freedom found in God s truth and light The more you know the true characteristics of God love grace mercy and forgiveness the less false guilt and shame you will experience in relation to your own sin There are all types of guilt from the normal expression you feel when you actually are at fault to false guilt related to self condemnation and unmet expectations This Christian book explains the characteristics of false guilt the negative mindsets that come from false guilt the sources of false guilt the physical symptoms of unresolved guilt and the difference between guilt ridden reactions to criticism and guilt free responses It also walks you through how to let go of guilt and accept God s freedom for good In the section titled Steps to Solution June Hunt gives you practical advice on how to Set and reach new target goals new priorities purpose and plan Distinguish true guilt from false accusations Recognize Satan s lies Forgive yourself and accept forgiveness Live a guilt free life God uses guilt to get our attention but he never designed guilt to distress us forever Learn how to identify true guilt that can lead us into healthy growth from false guilt that burdens us with shame God set you free learn how to live in the freedom he promises you

Leightner,2003-07-14 Tragedy is a common experience that causes many believers

to feel betrayed by God Job was declared righteous by God yet suffered a series of horrible tragedies Most people are ill prepared to deal with tragedy resulting in bitterness that hinders their faith and growth Like Job they cannot understand how a benevolent God can allow evil things to happen to good people Job s friends come to comfort him in his distress but instead attack him viciously because their creed declares that he must have blasphemed and sinned to deserve this punishment Job held the same beliefs but denies any wrongdoing and ultimately sues God for a reason for his suffering God then asks a series of questions that for Job are unanswerable But modern science knows the answers to God s questions This gives rise to a surprising eschatological interpretation This book develops a solution to the age old problem of evil
