The background of the cover features a dark, almost black, textured surface. In the center, there is a faint, glowing image of a person with their arms raised in a gesture of praise or surrender. The person's head is tilted back, and their arms are spread wide. Above the person's head is a small, bright, four-pointed star. The entire scene is surrounded by and partially obscured by vibrant, orange and yellow flames that appear to be rising from the bottom and sides, creating a sense of being consumed by fire.

*My Story* Denise Y. Frank, 2014-04 This book is about my journey from being a broken woman to becoming a whole woman I had spent twenty years in a relationship for all the wrong reasons and it was sucking the life out of me Writing this book helped me heal on many levels some of which I had no idea existed It was during the healing process that I visited each platform written about in my book The process hurt but was well worth the time invested God planted the seeds for this book twelve years ago But because I was hard headed I dragged my feet until my marriage almost consumed me My children were watching me live a life devoid of joy and happiness I cringed whenever my husband would come near me and knew there had to be another way to live My children and I deserved a happier peaceful and less stressed life Finally I took God at His word and took that initial step of faith that forever changed my life It is my hope to spur other women from all walks of life to have the courage to take that step of faith and begin their own rollercoaster ride to healing Denise Frank was born in Waterbury Connecticut and now lives in Phoenixville Pennsylvania I was homeless for the final eight weeks spent working on my book My kids and I lived in a shelter and I continued to write despite the situation we were in Women have to know that no matter where they are in life there is always light at the end of the tunnel Publisher s website <http://sbpra.com/DeniseYFrank>
