Mistakenly Married? Leah Mae Wright, 2024-10-18 What happens when the Galactic Wrestling Association celebrates a little too hard after a successful show in Las Vegas Too much drinking that leads to a night several of the wrestlers have completely forgotten Especially when one of their meddling matchmaking mommas instigates an excursion to take pictures at a local wedding chapel The photographic evidence on social media of thirteen inebriated performers stopping at a wedding chapel caused quite an uproar making them wonder if some of their angles needed to be rebooked But with all of them waking up in their own rooms at the hotel the next morning with only vague memories of what had happened they all believed they'd stayed outside the chapel as the pictures indicated Until a few weeks later when Rylie Long checked her mail while the GWA was in her hometown for a show and learned that what happens in Vegas doesn't always stay there Finding out she'd actually married Liam Connery that night in Vegas was a shock She hadn't wanted to let on to anyone in the company that she had a little crush on the older wrestler Now she had to figure out if she wanted to take advantage of their situation to see if her little crush could turn into more When Rylie took her marriage license to the arena to inform her boss several of her coworkers suddenly scrambled to check their mail to find out their marital statuses as well Apparently Rylie and Liam weren't the only GWA wrestlers who got mistakenly married Teagan Shields and Josh Parker also got married while drunk that night as did Aiken Pearson and Brent Crockett Now they all had to

figure out how they wanted to handle the legalities of their situation while the GWA bookers reworked their angles to try to control the celebrity gossip Would any of them stay married Or would they get divorced Or have their marriages annulled And how did the fact that none of them had their legal residences listed in the same state as their spouses or the state where they got married factor into their options Taking the time to meet with attorneys and determine the requirements for each of their situations was difficult with them traveling with the GWA Especially when their coworkers conspired to keep them together by pairing the three couples in the bridal party for Dean and Allissa s wedding so they couldn t go home for their Thanksgiving break
