Going Broke And How To Avoid It:

Avoiding Foreclosure; How NOT To Go Broke Saving Your Home Glen Henderson, 2011-12-01 Is your home worth less than you owe on it Are you having trouble making your mortgage payments Are you looking for a solution to your sleepless nights If you answer yes to any of the above questions you have taken the first step by picking up this book Over 10 million homeowners across the US have been affected by the current decline in the real estate market The unfortunate fact is most do not know where to turn to find the right advice Between the misinformation fraud and lack of cooperation by the banks many homeowners do not know where to turn and are letting their properties go into foreclosure But what if we told you that you had options What if there were real solutions to your current financial situation that would benefit you and your family What if you could sleep again at night knowing there was a way out of this housing mess The good news is you DO have options and a way out of this Our book will help you understand that your situation can be handled discretely confidentially and compassionately My purpose in writing this book was to first help you understand that you are not alone and secondly introduce you to the options that are available The options that will get you through this rough patch and back onto your feet In this book I explain your option and then help you map out your financial blueprint You will have solid direction as you navigate through this process When you re done you will once again know what it feels like to be living without the stresses of an underwater home You have options to your sleepless nights
