Jersey in 1898 Paul Robeson endowed with multiple gifts seemed destined for fame In his youth he was as tenacious in the classroom as he was on the football field After graduating from Rutgers with high honors he went on to earn a law degree at Columbia Soon after he began a stage and film career that made him one of the country s most celebrated figures But it was not to last Robeson became increasingly vocal about defending black civil rights and criticizing Western imperialism and his radical views ran counter to the country s evermore conservative posture During the McCarthy period Robeson s passport was lifted he was denounced as a traitor and his career was destroyed Yet he refused to bow His powerful and tragic story is emblematic of the major themes of twentieth century history Martin Duberman s exhaustive biography is the result of years of research and interviews and paints a portrait worthy of its incredible subject and his improbable story Duberman uses primary documents to take us deep into Robeson s life giving Robeson the due that he so richly deserves Cinema, Black Suffering, and Theodicy Shayne Lee,2022-01-26 This book explicates how many films intersect black suffering and God talk in ways that instantiate secular limitations to divine efficacy The book s concept of a modern God introduces a new method of analysis that reimagines theodical discourses as mechanisms of modern identities and filmmakers as skillful exegetes who recalibrate divine attributes to the sensemaking cadences of their contemporaries Shayne Lee demonstrates how cinematic theodicy navigates a happy medium between affirming divine benevolence and sidelining supernatural activity and that filmic characters like their real world counterparts are quite clever at triangulating rationality faith and tragedy In addition to positing synergistic links between theodicy and secularity Lee offers critical insights into cinema s relevance to the sociology of evil by specifying how films code and narrate malevolent actions and outcomes demarcate clear lines of distinction between victims and perpetrators clarify societal dynamics driving inequality and oppression and transform individual episodes of suffering into collective and memorialized identities of trauma This book illuminates how filmic treatments of theodicy construct evil and suffering in calculated ways that connect specific acts effects and institutions to greater structures of meaning *If You Like Quentin Tarantino...* Katherine Rife,2012-10-01 If You Like If You Like Quentin Tarantino draws on over 60 years of cinema history to crack the Tarantino code and teach readers to be confidently conversant in the language of the grindhouse and the drive in What fans love about director Quentin Tarantino is the infectious enthusiasm that s infused into every frame of his films And Tarantino films lend themselves exceptionally well to reference and recommendation because each itself is a dense collage of references and recommendations Spaghetti westerns blaxploitation revenge sagas car chase epics samurai cinema film noir kung fu slasher flicks war movies and today s neo exploitation explosion There s an incredible range of vibrant and singularly stylish films to discover If You Like Quentin Tarantino is an invitation to connect with a cinematic community dedicated to all things exciting outrageous and unapologetically badass *Watermelons, Nooses, and Straight Razors* David Pilgrim,2017-12-30 All groups tell stories but some groups have the power to impose their stories on others to label others stigmatize others paint others as undesirables

and to have these stories presented as scientific fact God's will or wholesome entertainment *Watermelons Nooses and Straight Razors* examines the origins and significance of several longstanding antiblack stories and the caricatures and stereotypes that support them Here readers will find representations of the lazy childlike Sambo the watermelon obsessed pickaninny the buffoonish minstrel the subhuman savage the loyal and contented mammy and Tom and the menacing razor toting coon and brute Malcolm X and James Baldwin both refused to eat watermelon in front of white people They were aware of the jokes and other stories about African Americans stealing watermelons fighting over watermelons even being transformed into watermelons Did racial stories influence the actions of white fraternities and sororities who dressed in blackface and mocked black culture or employees who hung nooses in their workplaces What stories did the people who refer to Serena Williams and other dark skinned athletes as apes or baboons hear Is it possible that a white South Carolina police officer who shot a fleeing black man had never heard stories about scary black men with straight razors or other weapons Antiblack stories still matter *Watermelons Nooses and Straight Razors* uses images from the Jim Crow Museum the nation's largest publicly accessible collection of racist objects These images are evidence of the social injustice that Martin Luther King Jr referred to as a boil that can never be cured so long as it is covered up but must be exposed to the light of human conscience and the air of national opinion before it can be cured Each chapter concludes with a story from the author's journey challenging the integrity of racial narratives *From the Arthouse to the Grindhouse* John Cline, Robert G.

Weiner, 2010-07-17 While there are numerous books on art and exploitation cinema very few attempt to examine both Covering the first 100 years of cinematic transgressions *From the Arthouse to the Grindhouse* is a collection of numerous essays representing key contributions to overlooked forgotten or under analyzed parts of film history From cult favorites like Arch Hall Jr to revered but under documented marquee names like Lon Chaney filmmakers both major and minor are covered here Starting with a section that pairs exploitation pioneers like Dwain Esper alongside cutting edge auteurs like Erich Von Stroheim the volume documents the bleeding edge of the high low cultural divide Other essays examine the sexual melodramas of Weimer German cinema explore the concept of Borat as a model for the new standardized cult film and discuss the films of directors Tod Browning Pier Pasolini and Peter Watkins This volume also contains a section devoted to the idea of reality inside and outside the documentary sphere emphasizing audiences desire to believe that this is really happening whether they're horrified or titillated Addressing many aspects of transgression in cinema these essays suggest that the distance between the venues and the audiences may not be quite as wide as viewers might imagine [killing for culture](#) David Kerekes, David Slater, 2016-06-03 Unlike images of sex which were clandestine and screened only in private images of death were made public from the onset of cinema The father of the modern age Thomas Edison fed the appetite for this material with staged executions on film Little over a century later the executions are real and the world is aghast at brutalities freely available online at the click of a button Some of these films are created by lone individuals using shaky

camera phones Luka Magnotta for instance and the teenagers known as the Dnipropetrovsk maniacs Others are shot on high definition equipment and professionally edited by organized groups such as the militant extremists ISIS KILLING FOR CULTURE explores these images of death and violence and the human obsession with looking and not looking at them Beginning with the mythology of the so called snuff film and its evolution through popular culture this book traces death and the artifice of death in the mondo documentaries that emerged in the 1960s and later the faux snuff pornography that found an audience through Necrobabes and similar websites However it is when videos depicting the murders of Daniel Pearl and Nick Berg surfaced in the 2000s that an era of genuine atrocity commenced one that has irrevocably changed the way in which we function as a society
