## **Gossip Reputation And Knowledge In Zinacantan:**

*Gossip, Reputation, and Knowledge in Zinacantan* John Beard Haviland, 1977 This book examines the creation of cultural rules via conversation specifically gossip Focusing on a linguistic analysis of the Mayan language Tzotzil the author provides both transcriptions and analysis of conversation focusing on how the language is used to gain perpetuate or ruin reputations and to manipulate opinions

*The Decline of Community in Zinacantan* Frank Cancian, 1994-10-01 This ambitious wide ranging work shows how national economic prosperity and government expansion in Mexico during the 1970 s transformed a relatively closed peasant community into a more outwardly connected socially differentiated society marked by dissension and overt conflict

**Discreet Indiscretions** J rg R. Bergmann, Although discourse theory tends to draw upon lofty examples Discreet Indiscretions draws instead on one many consider inconsequential Bergmann treats daily gossip both friendly and malicious as the genre of everyday communication and thereby in need of serious analysis Utilizing discourse theory and ethnomethodology this study shifts among several kinds of terrain the sociology of language the sociology of knowledge and the sociology of culture It rests on widespread individual observations on gossip in the existing literature of social science and on the investigation of real gossip recorded in conversations in the field and reproduced here as transcribed segments By exploring the complex relations of friendship and loyalty with respect to transmitting knowledge about the personal affairs of others he develops his thesis that gossip should be defined not as a control mechanism but rather as the social organization of discreet indiscretions

**The Crimes of Women in Early Modern Germany** Ulinka Rublack, 2001 The Crimes of Women in Early Modern Germany is a fascinating study of deviant women It is the first scholarly account of how women were prosecuted for theft infanticide and sexual crimes in early modern Germany and challenges the assumption that women were treated more leniently than men Ulinka Rublack uses criminal trials to illuminate the social status and conflicts of women living through the Reformation and Thirty Years War telling for the first time the stories of cutpurses maidservants dangerous liaisons and artisans troubled marriages She provides a thought provoking analysis of labelling and sentencing processes and of the punishments inflicted on those found guilty Above all she brilliantly engages with the way ordinary women experienced authority and sexuality household and community

**Reckoning with Change in Yucatán** Jason Ramsey, 2023-11-30 Reckoning with Change in Yucatán engages with how best to look upon and respond to change arguing that this debate is an important arena for negotiating local belonging and a force of transformation in its own right For residents of Chunchucmil a historic rural community in Yucatán Mexico history is anything but straightforward Living in what is both a defunct 19th century hacienda estate and a vibrant Catholic pilgrimage site Chunchucmil os reckon past present and future in radically different ways For example while some use the aging estate buildings to weave a history of economic decline and push for revitalization by hotel developers others highlight the growing fame of the Virgin of the Rosary in the attached church and vow to defend the site from developer interference By exploring how past and future are channeled through changing built environments landscapes sacred relics and legal documents this ethnographic study details how the politics of change provide Chunchucmil os with a common language for debating commitments to place and each another in the present Against Western notions of History as a relatively coherent account of change the book suggests we reframe it as an ongoing performance that is always fractured democratic and morally tinged

**Social Media in Emergent Brazil** Juliano Spyer, 2017-10-23 Since the popularisation of the internet low income Brazilians have received little government support to help them access it In response they have largely self financed their digital migration Internet caf s became prosperous businesses in working class neighbourhoods and rural settlements and more recently families have aspired to buy their own home computer with hire purchase

agreements As low income Brazilians began to access popular social media sites in the mid 2000s affluent Brazilians ridiculed their limited technological skills different tastes and poor schooling but this did not deter them from expanding their online presence Young people created profiles for barely literate older relatives and taught them to navigate platforms such as Facebook and WhatsApp

*Public and Private in Social Life* S. I. Benn, G. F. Gaus, 2025-05-01 Conceptions of publicness and privateness structure not only our thinking about society and ourselves but also by structuring our institutions and practices dictate how we act within society Originally published in 1983 the complexity inherent in the distinction between public and private is explored fully in this book Opening chapters examine the familiar western liberal understanding of the public and the private how it reflects not always coherent ideas about the relation of individuals to society and how it structures legal political economic and moral practices and institutions Attention is turned to Hegelian Marxist and feminist critiques on the public and private dichotomy and the study concludes with a comparative analysis of the public and the private in three non western forms of society In all this study provides a fascinating insight into the ways different societies see themselves and into the concepts that shape society today
