## **Future Of Child Protection How To Break:**

**The Future of Child Protection** Jane Waldfogel, 2001      Breaking Generational Curses When Child Protective Services Takes Your Children Dr. Rachael Robertson, 2020-05 You can't hide the fact your children were taken And you can't hide the shame and devastation when something as horrible as this happens It is a story of heartbreak but also of hope From the first edition and now this second the series is born as parents are charged with facing the past their now and what could be the loss of generations of the future Bringing together generations your parents your parents parents brothers sisters and in laws alike and address the wrongs and possibilities of your children's experiences life's journey and now their children and next generations of hope      *Reforming Child Protection* Bob Lonne, Nigel Parton, Jane Thomson, Maria Harries, 2008-07-10 Child protection is one of the most high profile and challenging areas of social work as well as one where children's lives and family life are seen to be at stake Vital as child protection work is this book argues that there is a pressing need for change in the understanding and consequent organization of child protection in many English speaking nations Grounded in the recent and contemporary literature research and scholarly inquiry this book capitalises on the experiences and voices of children young people families and workers who are the most significant stakeholders in child protection It will be an essential read for those who work research teach or study in the area      **Beyond the Risk Paradigm in Child Protection** Marie Connolly, 2017-09-16 For decades child protection systems have striven to provide responsive services to vulnerable children and families in the face of the constant change and instability caused by the bureaucratization of child protection This book lends a strident voice to the argument for a shift beyond the current risk paradigm towards genuine cultural change      Protecting Children in the Age of Outrage Radha Jagannathan, Michael J. Camasso, 2013-03-21 Professionals in the Child Welfare System will find this book to be a radically different explanation on protecting children from harm Child maltreatment remains front and center in the collective consciousness of communities around the United States this book is a depiction of current events of social outrage      **Preventing Child Maltreatment** Kenneth A. Dodge, Doriane Lambelet Coleman, 2009-06-18 Many child abuse prevention programs have targeted factors within the family such as parenting skills This book describes the next wave of prevention the promotion of safer healthier childrearing environments in entire communities The contributors are leading authorities who illuminate how contextual factors including poverty chaotic neighborhoods and lack of social supports combine with family factors to place children at risk for maltreatment They present a range of exemplary programs designed to strengthen communities while also helping individual parents to meet their children's needs Real world evaluation approaches quality control strategies and policy implications are discussed in depth      *Nobody's Children* Elizabeth Bartholet, 2000-11-17 Nobody's Children is an intense look at child welfare policies on abuse and neglect foster care and adoption Elizabeth Bartholet one of the nation's leading experts on family law challenges the accepted orthodoxy that treats children as belonging to their kinship and their racial groups and that locks them into

inadequate biological and foster homes She asks us to apply the lessons learned from the battered women s movement as we look at battered children and to question why family preservation ideology still reigns supreme when children rather than adult women are involved Bartholet asks us to take seriously the adoption option She calls on the entire community to take responsibility for its children to think of the children at risk of abuse and neglect as belonging to all of us and to ensure that Nobody s Children become treasured members of somebody s family

**Re-Visioning Public Health Approaches for Protecting Children** Bob Lonne, Deb Scott, Daryl Higgins, Todd I. Herrenkohl, 2019-04-26 This volume provides readers around the globe with a focused and comprehensive examination of how to prevent and respond to child maltreatment using evidence informed public health approaches and programs that meet the needs of vulnerable children and struggling families and communities It outlines the system failures of contemporary forensically driven child protection practice Detailed guidance is provided about how to re think earlier intervention strategies and establish stronger and more effective programs and services that prevent maltreatment at the population level Service user and stakeholder perspectives particularly from marginalized groups including Indigenous peoples highlight how public health approaches can better support families and keep children safe Case studies from different countries grapple with the fraught nature of large system change and the various strategies needed to effect multi level reforms Presenting the reader with an array of innovative services used in different institutional and community context this volume confronts the complex challenges found in implementing successful prevention programs that are aligned with diverse cultural and political environments and community expectations
