shifted to a different way of listening How can Sam recover his passion for preaching In this short entertaining story driven book church leaders will see honest reflections of themselves But the narrative humor also provides a clever way to stimulate thought and discussion on how preachers and preaching are changing Some places in the story will lead to laughter others will cause readers to pause and reflect But whatever the reaction The Sermon Maker leaves the reader encouraged and changed Extensive commentary on the stories provides insight from the author into the best ways to communicate Just as the story in the tremendously popular Who Moved My Cheese impacted readers in the business world who were facing change so this book is designed as a quick but stimulating story for any church leader who preaches or is concerned about the state of preaching today     The Witness of Preaching, Second Edition Thomas G.
