From Shylock To Svengali Jewish Stereotyp:

From Shylock to Svengali Edgar Rosenberg, 2003-01 **From Stereotype to Metaphor** Ellen Schiff, 2012-02-01 Who is a Jew What is a Jew In this all encompassing study Dr Schiff probes these questions to help explain the prominence of Jewish characters in drama since World War II The Jew has evolved into one of the most popular personages on the contemporary stage Dramatists both Jew and Gentile in the United States and Europe have been mining recently introduced concepts of the Jew to create a highly diversified and unfamiliar breed of dramatis personae From Stereotype to Metaphor tracks the evolution of the Jewish persona on the stage From the debut of the Jew on the Western stage in the Middle Ages to the present century Dr Schiff investigates how the Jew has evolved from the stereotypical figures of biblical patriarchs moneymen and villains into latter day everyman This book traces the line of descent of the stage Jew from church drama Shakespeare Milton and Racine to modern playwrights including Miller Gibson Pinter Wesker Anouilh Grumberg and Woody Allen concentrating on the development of the stage Jew since 1945 **Wrestling with Shylock** Edna Nahshon, Michael Shapiro, 2017-03-10 This book explores responses to The Merchant of Venice by Jewish writers critics theater artists thinkers religious leaders and institutions *Anti-Semitic Stereotypes Without Jews* Bernard Glassman, 2017-12-01 Anti Semitic sentiments are seen here as reflecting deep seated irrational responses to the Jewish people rooted in the teachings of the church and exploited by men who needed an outlet for religious social and economic frustrations *Opera, Liberalism, and Antisemitism in Nineteenth-Century France* Diana R. Hallman, 2007-08-16 This is a comprehensive critical study of the nineteenth century French grand opera La Juive by Halévy **The Jewish Question** Alex Bein, 1990 This monumental work of Alex Bein noted scholar and chief librarian of the Israeli National Library is the most authoritative survey of Jewish culture and Jewish problems in the Diaspora First published in two massive volumes in German it is here made available in a single volume in English **Loathsome Jews and Engulfing Women** Andrea Freud Loewenstein, 1995-06-01 A remarkable study one that I recommend to any reader fascinated by the shaping of culture and the power of the psyche The Forward How typical of his generation was T S Eliot when he complained that Hitler made an intelligent anti semitism impossible for a generation In her new book Loathsome Jews and Engulfing Women novelist and critic Andrea Freud Loewenstein examines the persistent anti semitic tendencies in modernist British intellectual culture Pursuing her subject with literary historical and psychological analyses Loewenstein argues that this anti semitism must be understood in terms of its metaphorical link with misogyny Situated in the context of the history of Jews in Britain Loathsome Jews and Engulfing Women begins by questioning the widespread belief that the British government was a friend to the Jews in the 30s and 40s Loewenstein shows that as evident in the hypocrisy of many British governmental policies prior to and during WWII Britain actively collaborated in the Jews destruction Against the backdrop of this tragic complicity in the Holocaust Loewenstein evaluates Jewish stereotypes in the works of three representative twentieth century British thinkers and writers Her analysis provides a

revealing critique of British modernism In a larger sense Loathsome Jews and Engulfing Women explores the riddle of prejudice Loewenstein argues that anti semitism is nurtured in an environment populated by other hatreds misogyny homophobia and racism To explain the interaction of these prejudices she develops an investigative model grounded in object relations theory and informed by the works of such theoretically diverse authors as Virginia Woolf Kate Millett and Alice Miller Loewenstein lucidly argues within an autobiographical framework insisting on the need for critics to look within ourselves for that terrible other rather than to complacently assume that we ourselves exist outside the ideology of power This well written and readable book will be of interest to many people ranging students of British history to psychoanalysts from historians of Jewish culture to anyone interested in feminist and literary theory

The Jewish Persona in the European Imagination Leonid Livak, 2010-09-10 This book proposes that the idea of the Jews in European cultures has little to do with actual Jews but rather is derived from the conception of Jews as Christianity's paradigmatic Other eternally reenacting their morally ambiguous New Testament role as the Christ bearing and killing chosen people of God Through new readings of canonical Russian literary texts by Gogol Turgenev Chekhov Babel and others the author argues that these European writers Christian secular and Jewish based their representation of Jews on the Christian exegetical tradition of anti Judaism Indeed Livak disputes the classification of some Jewish writers as belonging to Jewish literature arguing that such an approach obscures these writers debt to European literary traditions and their ambivalence about their Jewishness This work seeks to move the study of Russian literature and Russian Jewish literature in particular down a new path It will stir up controversy around Christian Jewish cultural interaction the representation of otherness in European arts and folklore modern Jewish experience and Russian literature and culture

Minorities in Wartime Panikos Panayi, 2016-10-06 In this volume an international team explores the historical dimensions of a pervasive and controversial issue of our time the fate of ethnic groups in societies under severe stress

Although this book focusses on the extreme situations of the two world wars parallels with more recent eruptions of violence and the widespread re emergence of racism in the wake of dislocation and disorientation of large populations are striking This pioneering book fills an obvious gap in the field of minority history and the study of war and society **The Jew in American Cinema** Patricia Erens,1988-08-22 Placing cinematic representations of the Jew within their historical context Bartov demonstrates the powerful political social and cultural impact of these images on popular attitudes He argues that these representations generally fall into four categories the Jew as perpetrator as victim as hero and as anti hero Examples range from film s early days to the present from Europe Israel and the United States *The Jewish Body* Maria Diemling,Giuseppe Veltri,2008-10-31 The tension between the book and the body has in recent years attracted the attention of scholars interested in the perception of the body in Judaism and the impact of religious law and performance on the body The fifteen contributions in this volume deal with perceptions of the Jewish body in a broad range of legal poetic mystical philosophical and polemical early modern Jewish sources The first part of the book examines the construction of the body in specific historical and social contexts Part two discusses normative texts and the notion of an ideal Jewish body Part three explores body mind and soul in Jewish philosophy and mysticism The last section of the book discusses body issues in Jewish Christian discourse The volume includes contributions by Howard Tzvi Adelman Ruth Berger Saverio Campanini Maria Diemling Eleazar Gutwirth Don Harr n Moshe Idel Sergius Koderar Arthur M Lesley Gianfranco Miletto Giuseppe Veltri Roni Weinstein Elliot R Wolfson Jeffrey R Woolf and Nimrod Zinger Maria Diemling and Giuseppe Veltri have assembled an accomplished group of scholars and collected an important store of articles concerning physicality in early modern Jewish culture Its contents are broad enough to appeal to a wide readership of scholars and students in gender studies cultural history intellectual history anthropology religious studies Kabbalah even the history of music and art In spite of this considerable topical and thematic diversity the book avoids losing focus in one way or another each contribution responds to Diemling and Veltri s organizing question how did early modern Jews react to the period s increased emphasis on and interest in corporeality Andrew Berns University of Pennsylvania in Renaissance Quarterly 63 1 2010 **Migrant City** Panikos Panayi,2020-04-07 The first history of London to show how immigrants have built shaped and made a great success of the capital city London is now a global financial and multicultural hub in which over three hundred languages are spoken But the history of London has always been a history of immigration Panikos Panayi explores the rich and vibrant story of London from its founding two millennia ago by Roman invaders to Jewish and German immigrants in the Victorian period to the Windrush generation invited from Caribbean countries in the twentieth century Panayi shows how migration has been fundamental to London s economic social political and cultural development Migrant City sheds light on the various ways in which newcomers have shaped London life acting as cheap labour contributing to the success of its financial sector its curry houses and its football clubs London s economy has long been driven by migrants from earlier continental financiers and

more recent European Union citizens Without immigration fueled by globalization Panayi argues London would not have become the world city it is today *Novel Judgements* William P. MacNeil, 2011-09-08 *Novel Judgements* addresses the ways in which jurisprudential ideas and themes are embedded and explored within nineteenth century Anglo American prose fiction

Exploring Stereotyped Images in Victorian and Twentieth-century Literature and Society John Morris, 1993

The Origin of the Modern Jewish Woman Writer Michael Galchinsky, 2018-02-05 Analyses the development of Jewish women's writing in relation to Victorian literary history women's cultural history and Jewish cultural history Between 1830 and 1880 the Jewish community flourished in England During this time known as *haskalah* or the Anglo Jewish Enlightenment Jewish women in England became the first Jewish women anywhere to publish novels histories periodicals theological tracts and conduct manuals *The Origin of the Modern Jewish Woman Writer* analyzes this critical but forgotten period in the development of Jewish women's writing in relation to Victorian literary history women's cultural history and Jewish cultural history Michael Galchinsky demonstrates that these women writers were the most widely recognized spokespersons for the *haskalah* Their romances some of which sold as well as novels by Dickens argued for Jew's emancipation in the Victorian world and women's emancipation in the Jewish world

The Origins of the Holocaust Michael Robert Marrus, 2011-08-02 This edition is the first of its kind to offer a basic collection of facsimile English language historical articles on all aspects of the extermination of the European Jews A total of 300 articles from 84 journals and collections allows the reader to gain an overview of this field The edition both provides access to the immense rich array of scholarly articles published after 1960 on the history of the Holocaust and encourages critical assessment of conflicting interpretations of these horrifying events The series traces Nazi persecution of Jews before the implementation of the Final Solution demonstrates how the Germans coordinated anti Jewish activities in conquered territories and sheds light on the victims in concentration camps ending with the liberation of the concentration camp victims and articles on the trials of war criminals The publications covered originate from the years 1950 to 1987 Included are authors such as Jakob Katz Saul Friedländer Eberhard Jäckel Bruno Bettelheim and Herbert A. Strauss

Abraham's Knife Judith Civan, 2004-03-25 Examines the origins of the deicide accusation the claim that the Jews killed Jesus which has always been the main antisemitic cliché Although St Paul who made the sacrifice of God's son a centerpoint of the new religion can be regarded as the inventor of Christian antisemitism he did not level the accusation of deicide against the Jews Argues that it was the authors of the Synoptic Gospels who wanted both to placate the Roman rulers by diverting the guilt from them and to dissociate themselves from Jewish nationalism after 70 CE who accused the Jews The image of Abraham's sacrifice always lurked behind the Crucifixion in Christian theology Isaac was regarded as a spiritual ancestor of Christians Abraham's sacrifice which was thwarted by God posed a theological problem for Christianity if God prohibited the sacrifice of children how could He sacrifice His own son The problem was solved by diverting the accusation of infanticide from God to His people

In the Middle Ages the notion that the Jews were capable of killing children was transformed into the belief in ritual murder. Scenarios of many blood libels included crucifixion of the victim. In the views of that epoch the Jews needed to consume Christian blood because it was their only substitute for the Eucharist essential for salvation. The image of the Jew as a ritual murderer and at the same time the devil's henchman and a traitorous Judas was adopted by classical English literature, the most striking example of which is Shakespeare's Shylock. *The Temple of Culture* Jonathan Freedman, 2000-02-24. From the beginning of modern intellectual history to the culture wars of the present day, the experience of assimilating Jews and the idiom of culture have been fundamentally intertwined with each other. Freedman's book begins by looking at images of the stereotypical Jew in the literary culture of nineteenth and twentieth century England and America and then considers the efforts on the part of Jewish critics and intellectuals to counter this image in the public sphere. It explores the unexpected parallels and ironic reversals between a cultural dispensation that had ambivalent responses to Jews and Jews who became exponents of that very tradition.
