Kierkegaardian Reflections on the Problem of Pluralism Aaron Fehir,2015-09-17 S ren Kierkegaard s Christian existentialism provides a unique framework for thinking about the problem of religious pluralism This problem arises from the fact that there are lots of different religions in the world and each of them teaches different things Accordingly it is difficult to know which one if any ought to be believed in as actually being true Fehir defends his view of Kierkegaard s understanding of faith and uses it to deal with common philosophical problems related to pluralism In the course of advancing this argument Kierkegaardian Reflections of the Problem of Pluralism also engages in interreligious dialogue by comparing Kierkegaard s views with representatives from Buddhism Judaism and Taoism

Seekers of the Naked Truth Paul LeValley,2018-01-01 Why would I spend a good portion of my time over the last 35 years gathering information on the Gymnosophists The story begins even earlier As an undergraduate student in the Flint College of the University of Michigan I pursued an English major with a strong history minor always looking for something between the two and rarely finding it Then in my practice teaching I happened into one of the early experimental high school courses in Interdisciplinary Humanities With the exciting interrelationships between art literature music philosophy and history I said YES this was what I had been looking for So I pioneered in teaching high school Humanities for the next few years Interdisciplinary Humanities was a bottom up movement Gradually colleges began offering Masters programs to give teachers the rich background they needed I decided I was not tied to Michigan where it was cold I would find the best Masters program in Humanities anywhere in the world and go there Well it turned out that the best Masters program in the world was at Wayne State University in Detroit of all places Unlike other programs that were really just double majors Wayne offered truly interdisciplinary classes Moreover they offered an Eastern track and a Western track Knowing that I would never find that Eastern track anywhere else I studied interdisciplinary courses in the cultures of India China Japan and Egypt The middle eastern professor was on sabbatical when I was there I especially liked India perhaps because I had already travelled around the world and India impressed me the most

Custodians Of Truth Tim Wallace-Murphy,Marilyn Hopkins,2025-09-12 A curious thing happened to Tim Wallace Murphy and Marilyn Hopkins when they published Rex Deus their first book on the bloodline of Christ they were contacted by a man from the very lineage they were studying And instead

of denying the existence of the bloodline or berating them for revealing secrets he actually confirmed that the Rex Deus lineage exists and even disclosed some of its fundamental secrets The story of the Rex Deus families direct descendents of Christ who is believed to have survived the crucifixion turns out to be much more extensive than the authors first thought Instead of beginning during the time of Jesus it stretches far back into antiquity to the Egyptian Mystery Schools Instead of being only a propagation of the holy bloodline the Rex Deus families are also carriers of the secret teachings of Jesus Custodians of Truth reveals the purpose and secrets of the Rex Deus lineage Jesus was not only a holy man but an adept of ancient knowledge which informed his own teachings This secret knowledge was suppressed by the Church in their voracious quest for power and influence in the secular world These teachings have manifested throughout history in different forms Gnostic philosophy around the time of Jesus the Order of the Knights Templar Freemasons and the current resurgence of interest in New Age thought Finally the time is right for the hidden message of Jesus to be revealed a message of tolerance brotherhood and respect for nature The next chapter in the legend of the Holy Grail and the bloodline of Christ from the best selling authors of Rosslyn
