Front Is Everywhere Militant Communism:

The Organizational Weapon Philip Selznick, 2014-10-27 *The Organizational Weapon* is a classic study of the methods propaganda and institutions which create infiltration and eventually cooptation of organizations from within The study applies its theory to communist techniques but its analysis and insights have over the years become extremely useful in perceiving and combating such methods in jihadist cells terrorist organizations and political groups of many varieties not only from the Left The book s continuing relevance and utility have been exemplified in how it has influenced and been cited by many current writers on how extremist and politically astute groups recruit and infiltrate more benign organizations and make them tools of further expansion of power and action The book is also considered excellent social science and history analyzing an important moment in U S history when trade organizations community groups and the like became affected by Soviet encroachment and Marxist influence Its insights from one of the country s most recognized social scientists have stood the test of time The new digital reprint edition from Quid Pro Books features an extensive and substantive 2014 Foreword by Martin Krygier a senior professor of law and social theory at the law school of the University of New South Wales in Australia and adjunct professor at Australian National University

The Iron Curtain Over America John Beaty, 2016-10-13 This book is unique in that it not only discusses the internal decay and the external disasters which threaten the life of American people in fact of ALL the people but diagnoses the growing cancer of which they are merely the symptoms Going behind the iron curtain of propaganda censorship and deception the author former Colonel of the Military Intelligence Service gives to the reader the first comprehensive documented account of the origin the scope and the intentions of the insidious forces working from within which are seeking to destroy Western civilization An honest and courageous dispeller of the fog of propaganda in which most minds seem to dwell Lt General P A Del Valle USMC ret I think it ought to be compulsory reading in every public school in America Senator William A Langer former Chairman Judiciary Committee This book is a magnificent contribution to those who would preserve our American ideals Lt Gen Edward M Almond USA ret

The Myth Of Victory Richard W Hobbs, 2019-06-10 Richard Hobbs examines one of society s greatest problems the need for reconciliation between the democratic dislike of war and the appropriate use of the military instrument in world politics He questions whether the results obtained in war are worth the expenditures made and contends that victory gained from total war war pushed to its outer li
