Onno Van Nijf, Fik Meijer

From The End Of The Peloponnesian War To The Battle Of Ipsus:

From the End of the Peloponnesian War to the Battle of Ipsus Phillip Harding, 1985-02-21 The second volume of Translated Documents of Greece and Rome is a collection of English translations with commentary and bibliography ancient and modern of the major inscriptions and historical fragments relating to the history of Greece in the fourth century BC The book is designed to supplement existing translations of the extant historical works of the period so that the student who knows neither Greek nor Latin can study the fourth century in greater depth than has previously been possible The period covered by this collection includes the restoration of the democracy at Athens in 403 2 the creation of the Second Athenian Naval League the Theban hegemony the Sacred and Social Wars the rise of Philip of Macedon the career of his son Alexander the Lamian War and finally the first rounds of the battle for the succession There are documents from places as far apart as Priene and Tegea but the majority come from Athens This collection includes such material as alliances and peace treaties honorific decrees catalogues of temple deposits and naval equipment laws accounts dedications legal decisions royal correspondence constitutions and some important fragments of narrative histories This book will be welcomed by teachers and students of ancient history

Epigraphy and the Greek Historian Phillip Harding, 2008-01-01 Epigraphy is a method of inferring and analyzing historical data by means of inscriptions found on ancient artifacts such as stones coins and statues It has proven indispensable for archaeologists and classicists and has considerable potential for the study of ancient history at the undergraduate and graduate levels Epigraphy and the Greek Historian is a collection of essays that explore various ways in which inscriptions can help students reconstruct and understand Greek History In order to engage with the study of epigraphy this collection is divided into two parts Athens and Athens from the outside The contributors maintain the importance of epigraphy arguing that in some cases inscriptions are the only tools we have to recover the local history of places that stand outside the main focus of ancient literary sources which are often frustratingly Athenocentric Ideally the historian uses both inscriptions and literary sources to make plausible inferences and thereby weave together the disconnected threads of the past into a connected and persuasive narrative Epigraphy and the Greek Historian is a comprehensive examination of epigraphy and a timely resource for students and scholars involved in the study of ancient history

Lysias, 2010-01-01 This is the second volume in the Oratory of Classical Greece series Planned for publication over several years the series will present all of the surviving speeches from the late fifth and fourth centuries B C in new translations prepared by classical scholars who are at the forefront of the discipline These translations are especially designed for the needs and interests of today's undergraduates Greekless scholars in other disciplines and the general public Classical oratory is an invaluable resource for the study of ancient Greek life and culture The speeches offer evidence on Greek moral views social and economic conditions political and social ideology and other aspects of Athenian culture that have been largely ignored women and family life slavery and religion to name just a few This volume contains all the

complete works and eleven of the largest fragments attributed to Lysias the leading speechwriter of the generation 403 380 B C after the Peloponnesian War who was also one of the finest and most deceptive storytellers of all time As a noncitizen resident in Athens Lysias could take no direct part in politics but his speeches written for clients to deliver in court paint vivid pictures of various private and public disputes one speaker defends himself on a charge of murdering his wife's lover while another is accused of having caused the deaths of democratic activists under the short lived oligarchy of the Thirty 404 3 despite his claim to be protected by the amnesty that accompanied the restoration of democracy in 403 The Mother of the Gods, Athens, and the Tyranny of Asia Mark H. Munn, 2006-07-11 Among maternal deities of the Greek pantheon the Mother of the Gods was a paradox Conflict and resolution were played out symbolically Munn shows and the goddess of Lydian tyranny was eventually accepted by the Athenians as the Mother of the Gods and a symbol of their own sovereignty

Famine and Food Supply in the Graeco-Roman World Peter Garnsey, 1988 The first full length study of famine in antiquity The study provides detailed case studies of Athens and Rome the best known states of antiquity but also illuminates the institutional response to food crisis in the mass of ordinary cities in the Mediterranean world Ancient historians have generally shown little interest in investigating the material base of the unique civilisations of the Graeco Roman world and have left unexplored the role of the food supply in framing the central institutions and practices of ancient society

Classical Greece, 500-323 BC Robin Osborne, 2000 Concise comprehensive and authoritative Classical Greece provides an analysis of the physical setting of and the archaic legacy to the classical city its economy its civic and religious institutions the waging of war between cities the occurrence and ancient analysis of conflict within the city and the private life of the citizen **The School of History** Mark H. Munn, 2023-09-01 History political philosophy and constitutional law were born in Athens in the space of a single generation the generation that lived through the Peloponnesian War 431 404 b c e This remarkable age produced such luminaries as Socrates Herodotus Thucydides Sophocles Euripides Aristophanes and the sophists and set the stage for the education and early careers of Plato and Xenophon among others The School of History provides the fullest and most detailed intellectual and political history available of Athens during the late fifth century b c e as it examines the background the context and the decisive events shaping this society in the throes of war This expansive readable narrative ultimately leads to a new understanding of Athenian democratic culture showing why and how it yielded such extraordinary intellectual productivity As both a source and a subject Thucydides history of the Peloponnesian War is the central text around which the narrative and thematic issues of the book revolve Munn re evaluates the formation of the Greek historiographical tradition itself as he identifies the conditions that prompted Thucydides to write specifically the historian's desire to guide the Athenian democracy as it struggled to comprehend its future The School of History fully encompasses recent scholarship in history literature and archaeology Munn's impressive mastery of the huge number of sources and publications informs his substantial contributions to our understanding of this democracy transformed by war

Immersing us fully in the intellectual foment of Athenian society The School of History traces the history of Athens at the peak of its influence both as a political and military power in its own time and as a source of intellectual inspiration for the centuries to come A Main Selection of the History Book Club History political philosophy and constitutional law were born in Athens in the space of a single generation the generation that lived through the Peloponnesian War 431 404 b c e This remarkable age produced such luminaries as Socrates Herodotus T Democracy and Classical Greece John Kenyon Davies,1993 The art of classical Greece and its political and philosophical ideas have had a profound influence on Western civilization It was in the fifth and fourth centuries B C that this Greek culture material political and intellectual reached its zenith At the same time the Greek states were at their most powerful and quarrelsome J K Davies traces the flowering of this extraordinary society drawing on a wealth of documentary material houses and graves extant sculpture and vases as well as the writings of historians orators biographers dramatists and philosophers Trade, Transport and Society in the Ancient World (Routledge Revivals) Onno Van Nijf,Fik Meijer,2014-10-14 This book first published in 1992 presents an introduction to the nature of trade and transport in antiquity through a selection of translated literary papyrological epigraphical and legal sources These texts illustrate a range of aspects of ancient trade and transport from the role of the authorities to the status of traders to the capacity and speed of ancient ships It is clear that the actual means of transportation were crucial the book illustrates the limitations of ancient transport technology and the consequences for the development of commerce It focuses first on different aspects of transport over land and then on transport by river and concludes with a discussion of several aspects of ancient seafaring This book is ideal for students of ancient history **Athenian Democracy** P. J. Rhodes,2019-08-07 No detailed description available for Athenian Democracy **War, Peace, and Alliance in Demosthenes' Athens** Peter Hunt,2010-01-28 Every Athenian alliance every declaration of war and every peace treaty was instituted by a decision of the assembly where citizens voted after listening to speeches that presented varied and often opposing arguments about the best course of action The fifteen preserved assembly speeches of the mid fourth century BC thus provide an unparalleled body of evidence for the way that Athenians thought and felt about interstate relations to understand this body of oratory is to understand how the Athenians of that period made decisions about war and peace This book provides a comprehensive treatment of this subject It deploys insights from a range of fields from anthropology to international relations theory in order not only to describe Athenian thinking but also to explain it Athenian thinking turns out to have been complex sophisticated and surprisingly familiar both in its virtues and its flaws **War and Violence in Ancient Greece** Hans van Wees,2009-12-31 The study of Greek warfare should involve much more than reconstructing the experience of combat or revisiting the great wars of the classical period Here a distinguished cast of international scholars explores beyond the usual thematic and chronological boundaries Ranging from the heroes of Homer to the kings and cities of the hellenistic age the contributors set war in the context of other forms of Greek violence private and public At every turn

they challenge received ideas about the causes and conduct of war its development and its place in Greek society and culture

The Rise and Fall of Classical Greece Josiah Ober, 2016-10-04 A major new history of classical Greece how it rose how it fell and what we can learn from it Lord Byron described Greece as great fallen and immortal a characterization more apt than he knew Through most of its long history Greece was poor But in the classical era Greece was densely populated and highly urbanized Many surprisingly healthy Greeks lived in remarkably big houses and worked for high wages at specialized occupations Middle class spending drove sustained economic growth and classical wealth produced a stunning cultural efflorescence lasting hundreds of years Why did Greece reach such heights in the classical period and why only then And how after the Greek miracle had endured for centuries did the Macedonians defeat the Greeks seemingly bringing an end to their glory Drawing on a massive body of newly available data and employing novel approaches to evidence Josiah Ober offers a major new history of classical Greece and an unprecedented account of its rise and fall Ober argues that Greece's rise was no miracle but rather the result of political breakthroughs and economic development The extraordinary emergence of citizen centered city states transformed Greece into a society that defeated the mighty Persian Empire Yet Philip and Alexander of Macedon were able to beat the Greeks in the Battle of Chaeronea in 338 BCE a victory made possible by the Macedonians appropriation of Greek innovations After Alexander's death battle hardened warlords fought ruthlessly over the remnants of his empire But Greek cities remained populous and wealthy their economy and culture surviving to be passed on to the Romans and to us A compelling narrative filled with uncanny modern parallels this is a book for anyone interested in how great civilizations are born and die This book is based on evidence available on a new interactive website To learn more please visit <http://polis.stanford.edu>

The Greek World 479-323 BC Simon Hornblower, 2013-01-11 The main aim of this book is to do justice to all the areas of the Mediterranean world in which Greek culture flourished in the fifth and the fourth centuries BC [The Greek World, 479-323 BC](#) Simon Hornblower, 1991 Looks at areas of the Mediterranean world in which Greek culture flourished in the fifth and fourth centuries BC **Theopompus The Historian** Gordon S.

Shrimpton, 1991-04-01 Theopompus was primarily known in antiquity for his historical works which included an Epitome of Herodotus Hellenica a twelve volume history of Greece and the fifty eight volume Philippica which focused mainly on the career of Philip II of Macedon All of Theopompus works were lost by late antiquity except fifty three volumes of the Philippica which survived into Byzantine times only to disappear by perhaps the tenth century Before these works were lost geographers lexicographers biographers collectors of anecdotes and later historians all quoted Theopompus in their writings and many critics of historical style commented on Theopompus work Concentrating on the Hellenica and the Philippica Shrimpton studies the fragments and testimonies to reveal what can be gleaned about the scope and content of Theopompus two major works He deals systematically with the problems of interpretation and makes clear the methodological background of his reconstructions and evaluations furnishing the basis for further methodological debate Theopompus moral and political

views are discussed as are his treatment of two of the most important figures of the middle of the fourth century BC Philip and Demosthenes In addition Shrimpton provides a comprehensive index of the proper names found in the fragments and reassesses the authorship of the Hellenica Oxyrhynchia suggesting that it is most plausibly identified with Cratippus

Decrees of Fourth-Century Athens (403/2-322/1 BC): Volume 1, The Literary Evidence, 2020-03-05 Decree making is a defining aspect of ancient Greek political activity it was the means by which city state communities went about deciding to get things done This two volume work provides a new view of the decree as an institution within the framework of fourth century Athenian democratic political activity Volume 1 consists of a comprehensive account of the literary evidence for decrees of the fourth century Athenian assembly Volume 2 analyses how decrees and decree making by offering both an authoritative source for the narrative of the history of the Athenian demos and a legitimate route for political self promotion came to play an important role in shaping Athenian democratic politics Peter Liddel assesses ideas about and the reality of the dissemination of knowledge of decrees among both Athenians and non Athenians and explains how they became significant to the wider image and legacy of the Athenians *The Greek State at War, Part V* W. Kendrick

Pritchett, 2023-11-15 The volumes of *The Greek State at War* are an essential reference for the classical scholar Professor Pritchett has systematically canvassed ancient texts and secondary literature for references to specific topics each volume explores a unique aspect of Greek military practice In Part V he takes up stone throwers slingers and booty The volumes of *The Greek State at War* are an essential reference for the classical scholar Professor Pritchett has systematically canvassed ancient texts and secondary literature for references to specific topics each volume explores a unique asp [A Companion to Ancient Macedonia](#) Joseph Roisman, Ian Worthington, 2010-12-06 The most comprehensive and up to date work available on ancient Macedonian history and material culture *A Companion to Ancient Macedonia* is an invaluable reference for students and scholars alike Features new specially commissioned essays by leading and up and coming scholars in the field Examines the political military social economic and cultural history of ancient Macedonia from the Archaic period to the end of Roman period and beyond Discusses the importance of art archaeology and architecture All ancient sources are translated in English Each chapter includes bibliographical essays for further reading *Declaring War in Early Modern Europe* F. Baumgartner, 2011-05-09 A noteworthy development in recent history has been the disappearance of formal declarations of war Using primary sources this book examines the history of declaring war in the early modern era up to the writing of the US Constitution to identify the influence of early modern history on the framing of the Constitution

From The End Of The Peloponnesian War To The Battle Of Ipsus Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free From The End Of The Peloponnesian War To The Battle Of Ipsus PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free From The End Of The Peloponnesian War To The

Battle Of Ipsus PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of From The End Of The Peloponnesian War To The Battle Of Ipsus free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About From The End Of The Peloponnesian War To The Battle Of Ipsus Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. From The End Of The Peloponnesian War To The Battle Of Ipsus is one of the best book in our library for free trial. We provide copy of From The End Of The Peloponnesian War To The Battle Of Ipsus in digital format, so the resources that you find are reliable. There are also many Ebooks of related with From The End Of The Peloponnesian War To The Battle Of Ipsus. Where to download From The End Of The Peloponnesian War To The Battle Of Ipsus online for free? Are you looking for From The End Of The Peloponnesian War To The Battle Of Ipsus PDF? This is definitely going to save you time and cash in something you should think about.
