Church Plantology Peyton Jones, 2021-04-20 The first comprehensive textbook on effective church planting from a veteran church planter The Apostle Paul was a veteran church planter who laid a foundation like a wise and master builder and there is much we can learn from his example Paul indicated that there were basic skills and experiences required to successfully plant a church Church Plantology examines the wide variety of church planting methods and ideologies in contemporary pastoral practice and outlines a biblical model based on the New Testament During his time in prison Paul spent much of his time writing to Titus Timothy and others who'd served alongside him in the trenches to complete their training as church plantings We can continue to apply these time tested proven methods following the pioneering example of the early church Today the casualty rate in is high What if we could reduce the odds of failing Church Plantology by Peyton Jones is a robust guide to planting that will help planters to provide the foundation necessary to survive beyond the initial first years so that they don't end up a walking statistic

Building for Eternity Larry Kreider, 1997-06 In this fourth Biblical Foundation book we look at the final three of the six foundational doctrines of the Christian faith found in Hebrews 6 1 2 the laying on of hands the resurrection of the dead and eternal judgment Therefore leaving the discussion of the elementary principles of Christ let us go on to perfection not laying again the foundation of repentance from dead works and of faith toward God of the doctrine of baptisms of laying on of hands of resurrection of the dead and of eternal judgment NKJ The foundational doctrine of the laying on of hands is an act in which one person imparts or conveys blessing healing and or authority to another for a specific spiritual purpose We will learn that the laying on of hands has a vital connection with many aspects of our Christian lives The hope of the resurrection is another biblical foundation that is so important to a Christian's faith because those who believe in Christ will share in His resurrection and have eternal life Another foundation stone that is linked to the resurrection of the dead is eternal judgment Every man and woman who has ever lived will be judged by God for all of eternity The reality of an eternal judgment should cause all believers to hate sin and diligently seek the lost to tell them of God's wonderful plan for mankind Use this book and the other 11 Biblical Foundation books to lay a solid foundation in your life or if you are already a mature Christian these books are great tools to assist you in mentoring others Each book can be used as a daily devotional and includes teaching outlines and discussion questions for each chapter Also available in Spanish and French

The Intimidation Factor Charles Redfern, 2020-08-05 What do we do when a formerly vibrant back to the Bible movement drifts into a toxic swamp rimmed with attack dogs Charles Redfern faces that grim question squarely He discovers that American evangelical

Christianity which surged in the mid twentieth century and offered a more genteel intellectually vigorous alternative to caustic fundamentalism fell into the hands of intimidators and backbiters It was a short journey from there to the movement's partisan sell out and the abandonment of time honored creeds Redfern describes his own story in which he came into the faith at the movement's height in the 1970s then views evangelicalism's decay across its spectrum He doesn't spare conflict adverse moderates in the process But he also discovers hope A winsome remnant survives and its wooing the back to the Bible people back to the Bible bearing the fruits of the Holy Spirit as they do so

Standing Up to the Coup Garry P. Isaacs, 2021-03-24 By subscribing to the truth without wavering by correcting oneself immediately when in error by admitting to others when found wrong or mistaken by not allowing oneself to be bought regardless of the cost or the sacrifice required empowers any individual citizen to stand up for a righteous cause Knowledge dispels fear and also builds confidence Being as fully informed as possible can create strength in any individual to stand up to any opposing power with strength and without fear or trembling This book is an example for good citizens What one person can do in troubling times to create a righteous and powerful stand in the face of seemingly overwhelming evil and opposition to the truth You don't have to be a Christian to read this book but it helps How true science is ignored and opposed by corporate institutional and government conflicts of interests and what ordinary citizens can do about it Why innovation that is meant to keep people healthy from diseases and air pollution is hindered and the development of technology restricted by universities and corporate powers
