## **From Victim To Victorious:**

From Victim to Victorious Marjorie Simon,2004-10-01 Simon tells of how she survived some hard times including being abandoned by her husband and raising five children alone and emerging from the storms stronger *From Victim to Victorious* Dr. Kyla N. Parker,2020-11-03 Can you remember a time of innocence A time when life had not overwhelmed you with unexpected experiences The majority of people go through life with a confident expectation of what their life will be Some may feel that they will receive the benefits of going to college and having a career Maybe you envisioned your life as a mother of two married to the man of your dreams Everything seemed to be on track but unexpected experiences arose and detoured your anticipated life Like a thief in the night an unexpected experience stole innocence The times of my youth became a faded memory The burden of it all has plagued my yesterday as I fight for my tomorrow However the unexpected experiences caused a detour in my life s plan today I decided to be an overcomer I decided to go from Victim to Victorious How about you From Victim, to Victory... I Am Victorious Tasha R. Robinson,2016-03-01 From Victim to Victory Gary Schulz,2012-11 n this world of sin we all struggle with security fear acceptance and joy We are all subject to potential physical situational or emotional harm from others It s a competitive world Peaceful and loving homes with godly parents who love each other are rare The home has become a place for the greatest harm Everyone has to survive somehow Some have good jobs and money some do not Some get all the breaks in life and some come up short Some succeed and some fail Some are accepted and some are rejected Do you view yourself as a victim Do you see yourself as deserving special treatment because of your victim status On the other hand do you see yourself as victorious What does it mean to be victorious And how does one obtain victory especially when he already sees himself as the victim of those who are stronger Are you your greatest enemy Are you a victim of your own view of yourself Is a victim status a choice Is victory a choice Jesus said the truth would set us free Learn to seek victorious freedom through Jesus Christ **Victim to Victorious** Anna,2016-12-07 Anna has written this book to assist other victims of abuse to realize that the predators do not control your life You can make choices about who you are and how you live Some of the effects of abuse are permanent These can be turned to good attributes in your life For instance a startle reflex is a good safety warning There is an increased awareness of the nature of people that can be trusted to keep you safe without you being afraid There is help for us to make good choices and live a victorious life in spite of the evil of others Getting the help you need to heal is imperative to living a full and useful and peaceful life Not being heard can encourage you to listen to others and be instrumental in their healing God has a purpose for each of us Anna wants you to find yours and live **From Victim, to Victory... I Am Victorious** Tasha R. Robinson,2016-06-24 Even through the struggle I couldn t let go of the promise No matter what I was going through and facing I still held on No matter what has went wrong in your life God can make it right Looks like no way out and no place to go in this life but there is a way of escape Keep believing and trusting that your better is on the way **How to Go from**
