Puja Mehta

Frontier America 1800 1840 A Comparative Demographic Analysis Of The Settlement Process:

Frontier America, 1800-1840 James Edward Davis, 1977 Identifies and analyzes some of the demographic characteristics of the people and groups of people that were lured or shoved into the American frontier in the early 19th century by looking at the following variables for the years 1800 1840 household size and composition age sex race condition of blacks and occupation **William Gilmore Simms and the American Frontier** John Caldwell Guilds, Caroline Collins, 1997 William Gilmore Simms 1807 1870 the antebellum South's foremost author and cultural critic was the first advocate of regionalism in the creation of national literature This collection of essays emphasizes his portrayal of America's westward migration

Trans-Appalachian Frontier, Third Edition Malcolm J. Rohrbough, 2008-01-09 The first American frontier lay just beyond the Appalachian Mountains and along the Gulf Coast Here successive groups of pioneers built new societies and developed new institutions to cope with life in the wilderness In this thorough revision of his classic account Malcolm J Rohrbough tells the dramatic story of these men and women from the first Kentucky settlements to the closing of the frontier Rohrbough divides his narrative into major time periods designed to establish categories of description and analysis presenting case studies that focus on the county the town the community and the family as well as politics and urbanization He also addresses Spanish French and Native American traditions and the anomalous presence of African slaves in the making of this story **Race to the Frontier** John Van Houten Dippel, 2005 Table of contents available via the World Wide Web *The Greenwood Encyclopedia of Daily Life in America* Randall M. Miller, 2008-12-30 The course of daily life in the United States has been a product of tradition environment and circumstance How did the Civil War alter the lives of women both white and black left alone on southern farms How did the Great Depression change the lives of working class families in eastern cities How did the discovery of gold in California transform the lives of native American Hispanic and white communities in western territories Organized by time period as spelled out in the National Standards for U S History these four volumes effectively analyze the diverse whole of American experience examining the domestic economic intellectual material political recreational and religious life of the American people between 1763 and 2005 Working under the editorial direction of general editor Randall M Miller professor of history at St Joseph's University a group of expert volume editors carefully integrate material drawn from volumes in Greenwood's highly successful Daily Life Through History series with new material researched and written by themselves and other scholars The four volumes cover the following periods The War of Independence and Antebellum Expansion and Reform 1763 1861 The Civil War Reconstruction and the Industrialization of America 1861 1900 The Emergence of Modern America World War I and the Great Depression 1900 1940 and Wartime Postwar and Contemporary America 1940 Present Each volume includes a selection of primary documents a timeline of important events during the period images illustrating the text and extensive bibliography of further information resources both print and electronic and a detailed subject index [A Companion to the American South](#) John B. Boles, 2008-04-15 A

Companion to the American South surveys and evaluates the most important and innovative writing on the entire sweep of the history of the southern United States Contains 29 original essays by leading experts in American Southern history Covers the entire sweep of Southern history including slavery politics the Civil War race relations religion and women s history Surveys and evaluates the best scholarship on every important era and topic Summarizes current debates and anticipates future concerns

A Patriot's History of the United States Larry Schweikart, Michael Patrick Allen, 2004-12-29 For the past three decades many history professors have allowed their biases to distort the way America s past is taught These intellectuals have searched for instances of racism sexism and bigotry in our history while downplaying the greatness of America s patriots and the achievements of dead white men As a result more emphasis is placed on Harriet Tubman than on George Washington more about the internment of Japanese Americans during World War II than about D Day or Iwo Jima more on the dangers we faced from Joseph McCarthy than those we faced from Josef Stalin A Patriot s History of the United States corrects those doctrinaire biases In this groundbreaking book America s discovery founding and development are reexamined with an appreciation for the elements of public virtue personal liberty and private property that make this nation uniquely successful This book offers a long overdue acknowledgment of America s true and proud history Frontier Illinois

James E. Davis, 2000-08-22 In this major new history of the making of the state Davis tells a sweeping story of Illinois from the Ice Age to the eve of the Civil War

River Towns in the Great West Timothy R. Mahoney, 2003-02-13 This book analyzes with unprecedented breadth and coverage the development maturation growth and sudden decline of a distinctive regional urban economic system that developed along the upper Mississippi River north of St Louis during the middle third of the nineteenth century

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1979

A Companion to 19th-Century America William Barney, 2008-04-15 A Companion to 19th Century America is an authoritative overview of current historiographical developments and major themes in the history of nineteenth century America Twenty seven scholars all specialists in their own thematic areas examine the key debates and historiography A thematic and chronological organization brings together the major time periods politics the Civil War economy and social and cultural history of the nineteenth century Written with the general reader in mind each essay surveys the historical research the emerging concerns and assesses the future direction of scholarship Complete coverage of all the major themes and current debates in nineteenth century US history assessing the state of the scholarship and future concerns 24 original essays by leading experts in nineteenth century American history complete with up to date bibliographies Chronological and thematic organization covers both traditional and contemporary fields of research politics periods economy class formation ethnicity gender roles regions culture and ideas

Violent Land David T. Courtwright, 2009-06-01 This book offers an explosive look at violence in America why it is so prevalent and what and who are responsible David Courtwright takes the long view of his subject developing the historical pattern of violence and disorder in this country Where there is violent and

disorderly behavior he shows there are plenty of men largely young and single What began in the mining camp and bunkhouse has simply continued in the urban world of today where many young armed intoxicated honor conscious bachelors have reverted to frontier conditions Violent Land combines social science with an engrossing narrative that spans and reinterprets the history of violence and social disorder in America Courtwright focuses on the origins consequences and eventual decline of frontier brutality Though these rough days have passed he points out that the frontier experience still looms large in our national self image and continues to influence the extent and type of violence in America as well as our collective response to it Broadly interdisciplinary looking at the interplay of biological social and historical forces behind the dark side of American life this book offers a disturbing diagnosis of violence in our society **Continental Reckoning**

Elliott West, 2023-02 Finalist for the 2024 Pulitzer Prize in History Winner of Columbia University's 2024 Bancroft Prize in American History Winner of the 2024 Caughey Western History Prize Winner of the 2024 Spur Award Named a Best Civil War Book of 2023 by Civil War Monitor In *Continental Reckoning* renowned historian Elliott West presents a sweeping narrative of the American West and its vital role in the transformation of the nation In the 1840s by which time the United States had expanded to the Pacific what would become the West was home to numerous vibrant Native cultures and vague claims by other nations Thirty years later it was organized into states and territories and bound into the nation and world by an infrastructure of rails telegraph wires and roads and by a racial and ethnic order with its Indigenous peoples largely dispossessed and confined to reservations Unprecedented exploration uncovered the West's extraordinary resources beginning with the discovery of gold in California within days of the United States acquiring the territory following the Mexican American War As those resources were developed often by the most modern methods and through modern corporate enterprise half of the contiguous United States was physically transformed *Continental Reckoning* guides the reader through the rippling multiplying changes wrought in the western half of the country arguing that these changes should be given equal billing with the Civil War in this crucial transition of national life As the West was acquired integrated into the nation and made over physically and culturally the United States shifted onto a course of accelerated economic growth a racial reordering and redefinition of citizenship engagement with global revolutions of science and technology and invigorated involvement with the larger world The creation of the West and the emergence of modern America were intimately related Neither can be understood without the other With masterful prose and a critical eye West presents a fresh approach to the dawn of the American West one of the most pivotal periods of American history *The Journal of Arizona History*, 1965 *The Mexican Frontier, 1821-1846* David J. Weber, 1982-06 Reinterprets borderlands history from the Mexican perspective **Frontier Women** Julie Jeffrey, 1998-02-28 The classic history of women on America's frontiers now updated and thoroughly revised FRONTIER WOMEN is an imaginative and graceful account of the extraordinarily diverse contributions of women to the development of the American frontier Author Julie Roy Jeffrey has expanded her original

analysis to include the perspectives of African American and Native American women **A Borderlands Town in Transition** Gilberto Miguel Hinojosa, 1983 *Fetching the Old Southwest* James H. Justus, 2004 For more than a quarter century despite the admirable excavations that have unearthed such humorists as John Gorman Barr and Marcus Lafayette the most significant of the humorists from the Old Southwest have remained the same Crockett Longstreet Thompson Baldwin Thorpe Hooper Robb Harris and Lewis Forming a kind of shadow canon in American literature that led to Mark Twain's early work from 1834 to 1867 these authors produced a body of writing that continues to reward attentive readers James H Justus's *Fetching the Old Southwest* examines this writing in the context of other discourses contemporaneous with it travel books local histories memoirs and sports manuals as well as unpublished private forms such as personal correspondence daybooks and journals Like most writing humor is a product of its place and time and the works studied herein are no exception The antebellum humorists provide an important look into the social and economic conditions that were prevalent in the southern new country a place that would in time become the Deep South While previous books about Old Southwest humor have focused on individual authors Justus has produced the first critical study to encompass all of the humor from this time period Teachers and students of literary history will appreciate the incredible range of documentation both primary and secondary **BOOK JACKET** Title Summary field provided by Blackwell North America Inc All Rights Reserved

The Emerging Midwest Nicole Etcheson, 1996-02-22 This dynamic process mirrored the nation building and national disintegration experienced in the U S between the Revolution and the Civil War The story of these Upland Southerners is also unique shedding light on the meaning of the South for those who left it on the new republic's ability to overcome sectional loyalties and on the creation of a new region the Midwest **Three Frontiers** Dean L. May, 1997-04-28 This book studies how in the Far West Americans moved from communal values to individualistic and exploitative ones
