Washington's God Michael Novak, Jana Novak, 2007-02-13 Washington has long been viewed as the patron saint of secular government but in Washington's God Michael Novak and his daughter Jana reveal that it was Washington's strong faith in divine Providence that gave meaning and force to his monumental life Narrowly escaping a British trap during the Battle of Brooklyn Washington didn't credit his survival to courage or tactical expertise he blamed himself for marching his men into certain doom and marveled at the Providence that delivered them Throughout his career Washington held fast to the conviction that America's liberty was dependent on our faithfulness to God's will and our trust in Providence Washington's God shows Washington not only as a man of resource strength and virtue but also as a man with deeply held religious values This new presentation of Washington as a man whose religion guided his governance will bring him into today's debates about the role of faith in government and will challenge everything we thought we knew about the inner life of the father of our country

Guerrilla Warfare Peter Polack, 2020-01-10 This concise history of guerilla warfare presents profiles in combat courage from George Washington to Sim n Bol var Mao Zedong and beyond The concept of guerrilla warfare is centuries old with Sun Tzu's writing on the subject dating back to the sixth century BC One of the earliest recorded examples of guerrilla tactics deployed by a military leader was the campaign of Roman general Fabius Maximus who took a course of evasion and harassment against Hannibal's columns Guerilla Warfare is a compendium of prominent guerrilla leaders across the globe from thirteenth century Scotland's William Wallace to modern day Sri Lanka's Velupillai Prabhakaran It profiles each leader to analyze their personal history military tactics and political strategy All are home grown leaders of extended guerrilla campaigns Many became the first leaders of their liberated countries Both victories and defeats are included here in an analysis of effective guerrilla tactics as well as counterinsurgency strategies Today the labels of insurgent freedom fighter and jihadi are fast replacing guerrilla The old notion of the guerrilla associated with fights for independence and the end of colonialization has dimmed with modern

and far reaching religious insurgencies taking their place This concise history gives a fascinating overview of a once history altering form of warfare *A Free People's Suicide* Os Guinness,2012-07-10 Os Guinness traces the evolution of the American ideal of freedom from the founders to the present warning that the country s defining experiment is on the verge of failure Summoning historical evidence on the fate of early democracies he argues that without a renewed commitment to the task of virtue America will soon wish away her own freedom Encyclopedia of the Age of Political Revolutions and New Ideologies, 1760-1815 Gregory Fremont-Barnes,2007-09-30 By giving rise to new ideologies that in time transformed the political structure of much of the world the American and French Revolutions stand as two of the most important political events in global history The American establishment of a Republican government and the gradual expansion of democracy that ensued altered traditional political and social thought thus shaping the later French Revolution and creating the core ethic of later American political values The Enlightenment ideals of the French Revolution as later spread by the armies of Napoleon dissolved most traditional European notions of political authority This encyclopedia offers current detailed information on the people events movements and ideas that defined the revolutions in France and America as well as in other parts of the world during the late eighteenth century Age of Revolutions Besides numerous entries on various countries of Europe whose histories were affected by the French Revolution such as Austria Belgium Germany Poland and Russia the many entries covering the people events groups and ideologies of Revolutionary and Napoleonic France include the following Civil Constitution of the Clergy Georges Jacques Danton The Directory Guillotine Josephine Empress of France Law of Suspects The Mountain Prairial Insurrection Tennis Court Oath White Terror Besides various entries covering American colonies states such as Maryland New Jersey North Carolina and Virginia the numerous entries covering the figures events and ideologies of the American Revolution and Early Federal Period of the United States include the following Abigail Adams Boston Massacre Constitutional Convention William Franklin Lexington and Concord Actions at Loyalists Massachusetts Government Act Edmund Randolph Signers of the Declaration of Independence Finally the encyclopedia offers various entries covering important revolutionary figures and movements that were active in other parts of the world during the period 1760 1815 including the following Simon Bolivar Dutch Revolutions Haitian Revolution Hispaniola Latin American Revolutions Mexican Revolution Pugachev Rebellion Toussaint l Ouverture Besides over 450 clearly written and highly informative entries the encyclopedia also includes primary documents a chronology an extensive introductory essay a bibliography a guide to related topics and a series of useful maps **CLEP® College Composition 2nd Ed., Book + Online** Rachelle Smith,Dominic Marullo,Ken Springer,2014-02-21 Save time and money while you earn college credit Pass your CLEP exam and get college credit at a fraction of the cost of a college course with REA s Prep for CLEP Our exclusive Book Online prep includes Online diagnostic exam Pinpoint what you know and what you need to study Test aligned subject review Zero in on the topics you ll find on the exam Four realistic practice exams Measure your test readiness so you ll be
