Georgia Tech:

Georgia Tech Matthew Hild, 2018-08-06 Georgia Tech has become one of the nation's top 10 ranked public universities and boasts a former U.S. president, TV personality and Hall of Fame athletes among its prominent alumni. From humble beginnings as a small technological institute that opened in 1888, Georgia Tech is now renowned throughout the world for its excellence in technological education and research. A top 10 ranked public university according to U.S. News World Report rankings, famous Georgia Institute of Technology alumni include Jimmy Carter, G. Wayne Clough, Jeff Foxworthy, Sam Nunn, Randolph Scott, and Leonard Wood, along with many famous athletes. Georgia Tech has won four national college football championships, the first in 1917 under the legendary coach John Heisman. Today, Georgia Tech has a student body of more than 29,000 at the undergraduate and graduate levels and more than 155,000 living alumni. The institute has an annual economic impact of about \$3 billion upon Georgia's economy. Authors and Tech alumni Matthew Hild and David L. Morton take you inside the journey of how this institute got to where it is today. *The Story of Georgia Tech* Marion Luther Brittain, 1948. This is the story of an early effort toward technical education in the South. Its sponsors were far-sighted Georgians who realized the value of engineering. It is a story of high standards, hard work, and trained men who went forth to serve in technical fields. Originally published in 1948, A UNC Press Enduring Edition. UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original and are presented in affordable paperback formats, bringing readers both historical and cultural value. *The Technological University Reimagined* G. Wayne Clough, 2021. Reimagining the technological research university involves re-instituting an commitment to undergraduate education, enlivening campus design, engaging the outside world through regional and national policy making, global connections, taking on new research directions with interdisciplinary approaches, and more. The book explains the basis for the key decisions that were needed to make it happen. For Your Information Georgia Institute of Technology, 1993. **Georgia Tech** Jonathan Trousdale, 2005. Provides a look at Georgia Institute of Technology from the student's viewpoint. Georgia Institute of Technology Source Wikipedia, 2013-09. Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Pages 79.
