The Evolution of Gerald Durrell Mary Sanders Pollock,2024-05-30 In *The Evolution of Gerald Durrell A Naturalist's Critical Biography* Mary Sanders Pollock revisits the life and work of Gerald Durrell one of the most significant environmentalist figures of the 20th century This new biography tracks Durrell's evolution from a free range childhood on Corfu through his time in Africa South America and the islands of the Pacific and Indian Oceans Durrell's early work is described in his numerous travel narratives but his conservation activities culminated in the stationary ark a conservation zoo on the Isle of Jersey which still plays an important role in global wildlife conservation efforts This biography situates Durrell's writing collecting and conservation practices within the frameworks of animal studies conservation biology and postcolonial history Familiarizing readers with the broad range of his cultural impact from *The Corfu Trilogy* to his BBC television specials Pollock shows how Durrell's approach offers models for how life on earth is to thrive and survive scientists must make greater efforts to touch hearts and minds and cultural workers must communicate more about science and the perilous existence of other species **Durrell: My Family and Other Animals** Bloomsbury Publishing,1992-01-30 This is a Bloomsbury Academic title For our full Academic Catalogue please visit <https://www.bloomsbury.com/uk/academic> **Gerald & Lee Durrell in Russia** Gerald Durrell, Lee Durrell,1986-01-01 *Durrell in Russia* Gerald Durrell, Lee Durrell,1986 **A Zoo in My Luggage** Gerald Durrell,2005-06-28 Fans of Gerald Durrell's timeless classic *My Family and Other Animals* which was the inspiration for *The Durrells in Corfu* on Masterpiece PBS will love this hilarious tale that finds the author as an adult still charmed by his beloved animals *A Zoo in My Luggage* begins with an account of Durrell's third trip to the British Cameroons in West Africa during which he and his wife capture animals to start their own zoo Returning to England with a few additions to their family Chomondeley the chimpanzee Bug eye the bush baby and others they have nowhere to put them as they haven't yet secured a place for their zoo Durrell's account of how he manages his menagerie in all sorts of places throughout England while finding a permanent home for the animals provides as much adventure as capturing them For animal lovers of all ages *A Zoo in My Luggage* is the romping true story of the boy who grew up to make a Noah's Ark of his own Bibliography of Natural History Travel Narratives Anne S. Troelstra,2017-06-01 Anne Troelstra's fine bibliography is an outstanding and ground breaking work He has provided the academic world with a long needed bibliographical record of human endeavour in the field of the natural sciences The travel narratives listed here encompass all aspects of the natural world in every part of the globe but are especially concerned with its fauna flora and fossil remains Such eyewitness accounts have always fascinated their readers but they were never written solely for entertainment fragmentary though they often are

these narratives of travel and exploration are of immense importance for our scientific understanding of life on earth providing us with a window on an ever changing and often vanishing natural world Without such records of the past we could not track document or understand the significance of changes that are so important for the study of zoogeography With this book Troelstra gives us a superb overview of natural history travel narratives The well over four thousand detailed entries ranging over four centuries and all major western European languages are drawn from a wide range of sources and include both printed books and periodical contributions While no subject bibliography by a single author can attain absolute completeness Troelstra s work is comprehensive to a truly remarkable degree The entries are arranged alphabetically by author and chronologically by the year of first publication under the author s name A brief biography with the scope and range of their work is given for each author every title is set in context the contents including illustrations are described and all known editions and translations are cited In addition there is a geographical index that cross refers between authors and the regions visited and a full list of the bibliographical and biographical sources used in compiling the bibliography

The Durrells Richard Bradford, 2025-06-05 A variously tragic tale of escapism and assimilation Richard Bradford's *The Durrells* explores the truth behind the image The Durrells are probably the most celebrated literary family of the 20th century Gerald turned them into celebrities with his tripartite memoir beginning with *My Family and Other Animals* 1956 which told of his experiences with his widowed mother Louisa and three siblings during their time in 1930s Corfu We know of the Durrells from their own writings and from the image of them created by TV film and biographical accounts of specific figures What we do not know is the truth Using previously unpublished material from the Jersey Archive Richard Bradford unravels the lives of the famous four children of the Corfu era Larry Gerry Margo and Lesli as they find themselves geographically and emotionally divided amongst a backdrop of imperial decline and unrest The children of moneyed colonialists they were already used to being treated with aghast fascination by the island's locals and by expatriate Britons as a disgrace to the homeland Yet their story goes beyond the Ionian Sea and *The Durrells* delves into the complex social and political circumstances in which the family lived with seemingly constant threats of war and endangerment to both themselves and their natural environment
