## German Problem Reconsidered:

The German Problem Reconsidered: Germany and the World Order 1870 to the Present David Calleo, 1978-09-29 In this provocative book David Calleo surveys German history not to present new material but to look afresh at the old He argues that recent explanations for Germany's external conflicts have focused on flaws in the country's traditional political institutions and culture These German centred explanations are convenient Calleo notes for they tend to exonerate others from their responsibilities in bringing about two world wars namely the American and Russian hegemonies in Europe As a result of this approach the big questions in German history are still answered with the ageing clichés of a generation ago despite the proliferation of German historical studies Throughout Professor Calleo examines with some scepticism the concept of Germany's uniqueness and its consequences In effect his study stresses the continuing relevance of traditional issues among the Western states This book he asserts should be regarded as a modest dissent from the prevailing view that history either began or ended in 1945 *The German Problem Reconsidered. Germany and the World Order, 1870 to the Present. (1. Publ.)* David P. Calleo, 1978 **The German problem reconsidered : Germany [and] the world order, 1870 to the present** David P. Calleo, 1980 **The German Problem Reconsidered** David P. Calleo, 1978 **Germany and the Causes of the First World War** Mark Hewitson, 2014-03-04 How can we understand what caused World War I What role did Germany play This book encourages us to re think the events that led to global conflict in 1914 Historians in recent years have argued that German leaders acted defensively or preemptively in 1914 conscious of the Reich's deteriorating military and diplomatic position Germany and the Causes of the First World War challenges such interpretations placing new emphasis on the idea that the Reich Chancellor the German Foreign Office and the Great General Staff were confident that they could win a continental war This belief in Germany's superiority derived primarily from an assumption of French decline and Russian weakness throughout the period between the turn of the century and the eve of the First World War Accordingly Wilhelmine policy makers pursued offensive policies at the risk of war at important junctures during the 1900s and 1910s The author analyses the stereotyping of enemy states representations of war in peacetime and conceptualizations of international relations He uncovers the complex role of ruling elites political parties big business and the press and contends that the decade before the First World War witnessed some critical changes in German foreign policy By the time of the July crisis of 1914 for example the perception of enemies had altered with Russia the traditional bugbear of the German centre and left becoming the principal opponent of the Reich Under these changed conditions German leaders could now pursue their strategy of brinkmanship using war as an instrument of policy to its logical conclusion **Transregional versus National Perspectives on Contemporary Central European History** Michal Baran, Magdalena M. Vit, 2017-09-30 This volume compares different regional perspectives on the national and democracy building aims of individual states It confronts discourses about national states to regional perspectives on the past as well as the current political and social

landscape Why are we observing calls for national identity right now What are the roots of this development How can a Central European identity be shaped when national perspectives are prevalent The book's first part analyses social and political processes that shaped nation states in the Central European region and shows divergent trends of individual states when it comes to defining a regional approach of the Visegrád Group Poland Czech Republic Slovakia Hungary V4 The second part focuses on key personalities of the 20th century history of individual V4 countries in the light of their perception in the neighbouring states and how they shaped national states as well as identities after the end of World War II Similar aims and approaches implemented by individual countries often led to anything but raising regional understanding The book's third part reflects upon activities of various initiatives aiming to approach this challenge from the perspective of civil society and Central Europe's young generation The collection brings together leading historians of Central Europe from the V4 countries It also offers external perspectives on historical developments in Central Europe from the perspective of the 21st century and on political cooperation as well as its roots Lastly it includes practitioners of Central European cooperation from both academia and civil society and their reflection on their countries political cooperation after 1989 **Justice and the**

**Genesis of War** David A. Welch, 1995-08-10 Studies of the causes of wars generally presuppose a realist account of motivation when statesmen choose to wage war they do so for purposes of self preservation or self aggrandizement In this book however David Welch argues that humans are motivated by normative concerns the pursuit of which may result in behaviour inconsistent with self interest He examines the effect of one particular type of normative motivation the justice motive in the outbreak of five Great Power wars the Crimean war the Franco Prussian war World War I World War II and the Falklands war Realist theory would suggest that these wars would be among the least likely to be influenced by considerations other than power and interest but the author demonstrates that the justice motive played an important role in the genesis of war and that its neglect by theorists of international politics is a major oversight **Myths of Empire** Jack

Snyder, 2013-05-15 Overextension is the common pitfall of empires Why does it occur What are the forces that cause the great powers of the industrial era to pursue aggressive foreign policies Jack Snyder identifies recurrent myths of empire describes the varieties of overextension to which they lead and criticizes the traditional explanations offered by historians and political scientists He tests three competing theories realism misperception and domestic coalition politics against five detailed case studies early twentieth century Germany Japan in the interwar period Great Britain in the Victorian era the Soviet Union after World War II and the United States during the Cold War The resulting insights run counter to much that has been written about these apparently familiar instances of empire building After The Wall Patricia J. Smith, 2019-05-20 Since the fall of the Berlin Wall in November 1989 Germany has faced complex challenges The rapid introduction of political economic and social union in 1990 joined East and West in an experiment without precedent as the former German Democratic Republic adopted the structures of the Federal Republic of Germany Related issues include the ado **Is the**

**West in Decline?** Benjamin M. Rowland, 2015-10-30 Is the West in Decline is a collection of ten essays by prominent scholars of international relations and current history many of them associated with the European Studies program of the Johns Hopkins School of Advanced International Studies The essays explore the question of decline from several perspectives theoretical historical counterfactual and contemporary Thomas Row s essay uses alternative history to show how an unfallen Habsburg Empire might have evolved into a state system resembling the European Union Benjamin Rowland s essay on Oswald Spengler considers how the German historian s theory of decline could be applied to the West today Several of the essays are country studies Not all conclude that countries or state systems are in decline or that the condition if present is irreversible Writing about Germany Stephen Szabo notes that only fifteen years ago this currently robust country could have been seen as a clear exemplar of decline Dana Allin s essay on the U S asks whether a course change including retrenchment and overseas rebalancing might reverse decline or eliminate it altogether David Calleo s essay among other things looks at America s reserve currency status as a principal sustainer of American exceptionalism and asks what might happen should the U S lose its exorbitant privilege as reserve currency provider to the international system Hitler, Germans, and the "Jewish Question" Sarah Ann Gordon, 1984-03-21 Errata slip inserted Includes index Bibliography p 389 405 *The Great Powers and the End of the Ottoman Empire* Marian Kent, 2005-07-27 These studies of the foreign policy of each of the Great Powers and the Ottoman Empire examine how far the end of the Ottoman Empire was the result of Great Power imperialism and how far the result of structural weaknesses **Unequal Partners** Harald Von Riekhoff, 2020-01-23 The subject of this book is the relationship between unequal partners in the international system The chapters focus on two relationships between unequal partners Austria and the Federal Republic of Germany on the one hand and Canada and the United States on the other By including not only the political and economic but also the historical cultural and communications aspect of the relationship the authors broaden the scope of their analyses Modern Europe, 1789-Present Asa Briggs, Patricia Clavin, 2014-06-06 Now covering the whole of Europe from the French Revolution to the present day this major new edition has been completely revised and brought up to date The approach embraces the whole continent from both national and regional perspectives and combines political survey with grass roots people history Bringing this history vividly to life the authors use a very broad range of sources including memoirs archives letters songs and newspapers In particular there is new treatment of the following themes Religion and the modern Papacy Immigration in Europe and relationships between minority and majority groups UNESCO The European Bill of Rights The seeds of conflict in Bosnia and Croatia Europe s relations with the wider world with particular attention to the Middle East and Japan **The Failure to Prevent World War I** Hall Gardner, 2016-03-16 World War I represents one of the most studied yet least understood systemic conflicts in modern history At the time it was a major power war that was largely unexpected This book refines and expands points made in the author s earlier work on the failure to prevent World War I It provides an alternative viewpoint to the thesis of

Christopher Clark Fritz Fischer Paul Kennedy among others as to the war's long term origins By starting its analysis with the causes and consequences of the 1870-71 Franco-Prussian War and the German annexation of Alsace-Lorraine the study systematically explores the key geostrategic political economic and socio-cultural ideological disputes between France Germany Austria-Hungary Italy Russia Japan the United States and Great Britain the nature of their foreign policy goals alliance formations arms rivalries as well as the dynamics of the diplomatic process so as to better explain the deeper roots of the Great War The book concludes with a discussion of the war's relevance and the diplomatic failure to forge a possible Anglo-German-French alliance while pointing out how it took a second world war to realize Victor Hugo's nineteenth century vision of a United States of Europe a vision now being challenged by financial crisis and Russia's annexation of Crimea

Germany at Fifty-five James Sperling, 2004 Examining how the past has influenced current domestic and foreign policy in Germany this book explores topics such as the unification of east and west the founding of the Berlin and Bonn republics the legacies of national socialism and how the unified Germany's political culture continues to evolve **The Origins of the First World War** Annika Mombauer, 2013-12-02 The seminal event of the 20th century the origins of the First World War have always been difficult to establish and have aroused deep controversy Annika Mombauer tracks the impassioned debates as they developed at critical points through the twentieth century The book focuses on the controversy itself rather than the specific events leading up to the war Emotive and emotional from the very beginning of the conflict the debate and the passions aroused in response to such issues as the war guilt paragraph of the treaty of Versailles are set in the context of the times in which they were proposed Similarly the argument has been fuelled by concerns over the sacrifices that were made and the casualties that were suffered Were they really justified **Germany At The Crossroads** Gale A.

Mattox, 2019-04-05 The incorporation of the German Democratic Republic into the Federal Republic ignited excitement over the prospect of bringing democratic reform and better living conditions to the East but also gave rise to concern over united Germany's ability to do so while maintaining its own economic vitality This volume examines many of the issues integral to

Rethinking Europe's Future David P. Calleo, 2011-12-06 Rethinking Europe's Future is a major reevaluation of Europe's prospects as it enters the twenty-first century David Calleo has written a book worthy of the complexity and grandeur of the challenges Europe now faces Summoning the insights of history political economy and philosophy he explains why Europe was for a long time the world's greatest problem and how the Cold War's bipolar partition brought stability of a sort Without the Cold War Europe risks revisiting its more traditional history With so many contingent factors in particular Russia and Europe's Muslim neighbors no one Calleo believes can pretend to predict the future with assurance Calleo's book ponders how to think about this future The book begins by considering the rival lessons and trends that emerge from Europe's deeper past It goes on to discuss the theories for managing the traditional state system the transition from autocratic states to communitarian nation-states the enduring strength of nation-states and their uneasy relationship with capitalism Calleo next

focuses on the Cold War's dynamic legacies for Europe: an Atlantic Alliance, a European Union, and a global economy. These three systems now compete to define the future. The book's third and major section examines how Europe has tried to meet the present challenges of Russian weakness and German reunification. Succeeding chapters focus on Maastricht and the Euro, on the impact of globalization on Europeanization, and on the EU's unfinished business: expanding into Pan-Europe, adapting a hybrid constitution, and creating a new security system. Calleo presents three models of a new Europe, each proposing a different relationship with the U.S. and Russia. A final chapter probes how a strong European Union might affect the world and the prospects for American hegemony. This is a beautifully written book that offers rich insight into a critical moment in our history whose outcome will shape the world long after our time.

*Germany* Eric Solsten, 1999-08. Reviews Germany's history and treats in a concise and objective manner its dominant social, political, economic, and military aspects. Sections written by experts include: chronology of important events; early history to 1945; history 1945-1990; the society and its environment; social welfare, health care, and education; the domestic economy; international economic relations; government and politics; foreign relations; national security; military tradition, strategic concerns, and military missions; the armed forces; defense budget; and such military issues as uniforms, ranks, and insignia; defense production and export; foreign military relations; and internal security.

## **German Problem Reconsidered Introduction**

In the digital age, access to information has become easier than ever before. The ability to download German Problem Reconsidered has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download German Problem Reconsidered has opened up a world of possibilities. Downloading German Problem Reconsidered provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading German Problem Reconsidered has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download German Problem Reconsidered. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading German Problem Reconsidered. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading German Problem Reconsidered, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download German Problem Reconsidered has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.

### **FAQs About German Problem Reconsidered Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. German Problem Reconsidered is one of the best book in our library for free trial. We provide copy of German Problem Reconsidered in digital format, so the resources that you find are reliable. There are also many Ebooks of related with German Problem Reconsidered. Where to download German Problem Reconsidered online for free? Are you looking for German Problem Reconsidered PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another German Problem Reconsidered. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of German Problem Reconsidered are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with German Problem Reconsidered. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with German Problem Reconsidered To get started finding German Problem Reconsidered, you are

right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with German Problem Reconsidered So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading German Problem Reconsidered. Maybe you have knowledge that, people have search numerous times for their favorite readings like this German Problem Reconsidered, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. German Problem Reconsidered is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, German Problem Reconsidered is universally compatible with any devices to read.
