Contemporary Identity and Memory in the Borderlands of Poland and Germany

Aleksandra Binicewicz, 2018-09-30 The book analyses issues associated with the contemporary and memory in the Polish German borderlands a complex multidimensional cultural and geographic area The first section of the book which focuses on contemporary issues is divided into three parts namely a theoretical body records of conversations with the inhabitants of the borderlands who are engaged in social activities and records of workshops and conversations that brought together teenage inhabitants of the borderlands Close cooperation with the inhabitants of two borderland towns resulted in several interesting perspectives on the borderlands which are seen as a physical space as well as a mental intimate close and sometimes frustrating space subject to micro and macro scale transformations In this book the borderlands are viewed from these two perspectives The micro scale is marked out by the individual experience of the inhabitants of the borderlands and the macro scale by the institutional framework established for the purpose of constructing an integrated community on the border

Memories of West Berlin and West Germany

Hans J. Rokohl, 2025-06-06 All my stories are autobiographical so they re true and they re positive Who wants to read about bad things There was a little bit of it but I didn t think too much about it In my post war memoirs I talk about my experiences during this time and the events that happened at that time This continued into the years of the economic miracle In the Heimatgef hle aus Neu Tempelhof I describe the world I lived in including a bit of the city s history and I haven t quite finished yet Neu Tempelhof is interesting for two reasons It is historically significant and it is an example of urban development The 60s were a time of young love fun trips and cool cars People socialized with friends and co workers There is also contemporary history In the 70s they say goodbye to grandma and look to the West with lots of free time for fun In the stories from Kurf rstendamm I describe my experiences on this street It is also a journey through time from the ruins of the memorial church to the boulevard in its festive splendor Bill Haley s rock and roll the Beatles Let It Be and the Let s Twist Again song are some examples The song by Hildegard Knef is unforgettable My student Christmas stories are at the end There are some interesting things in there but I don t want to spoil the surprise I have illustrated the stories using my own photos photos I found online and photos from books I thought to myself This will show that the stories are true The illustrated stories from West Berlin are followed in a second volume by stories from West Germany where I still spend the second half of my life

Germany as a Culture of Remembrance

Alon Confino, 2017-03-01 An acknowledged authority on German history and memory Alon Confino presents in this volume an original critique of the relations between nationhood memory and history applied to the specific case of Germany In ten essays three never before published and one published only in German Confino offers a distinct view of German nationhood in particular and of nationhood in general as a product of collective negotiation and exchange between the many memories that exist in the nation The first group of essays centers on the period from 1871 to 1990 and explores how Germans used

conceptions of the local or Heimat to identify what it meant to be German in a century of ideological upheavals The second group of essays comprehensively critiques and analyzes the ways laypersons and scholars use the notion of memory as a tool to understand the past Arguing that the case of Germany contains particular characteristics with broader implications for the way historians practice their trade Germany as a Culture of Remembrance examines the limits and possibilities of writing history *Germany and the League* Ernst Jäckh,1927 **Jews, Germany, Memory** Edward Serotta,1996 Jews Germany Memory A Contemporary Portrait is an eye opening book that looks at how after the Holocaust and against all odds Jews resettled in the land of the perpetrator rebuilt their communities and began forging relations once again with their neighbors Told in words and pictures by one of the leading documentary photographers working in Europe today this poignant study shows us not only how Jews live in today s Germany but takes us to meet those Jews who fled their homes in the 1930s and swore never to return But because there is no other place in the world where a Jew is defined so much as where he is as opposed to what he is Jews Germany Memory delves deep into German society itself to see how non Jewish Germans relate to the past as well as to those few Jews who live among them today In this book we accompany Serotta as he visits German high schools where children explore and some refuse to deal with the Holocaust on a bus to Auschwitz with the German press corps as well as old age homes in Israel where young Germans have gone to volunteer and atone for the sins of their grandparents **War Memories** Frank Alexander Holden,1922 Official Gazette of the United States Patent and Trademark Office United States. Patent and Trademark Office,2002 **The Romantic School in Germany. Introduction** Georg Brandes,1923 **Memories : a Story of German Love** Friedrich Max Müller,1889 Official Gazette of the United States Patent and Trademark Office ,1997 Germany, Austria-Hungary, and Switzerland Francis Whiting Halsey,1914

Modern Methods of Teaching English in Germany James Nelson Fraser,1906 Germany ,2000 **Special Issue** Austin Sarat,2014-05-16 In The Beautiful Prison incarcerated Americans and prison critics seek to imagine the prison as something better than a machinery of suffering From personal testimony to theoretical meditation these writers explore and confront the practical and cultural limits the prison places on its transformation into a socially constructive institution

Seeing Germany Edward Manuel Newman,1929 An Album of Memories Tom Brokaw,2002-04-30 I cannot go anywhere in America without people wanting to share their wartime experiences The stories and the lessons have emerged from long forgotten letters home from reunions of old buddies and outfits from unpublished diaries and home published memoirs As the stories in this album of memories remind us it truly was an American experience from the centers of power to the most humble corners of the land Tom Brokaw In this beautiful American family album of stories from the Greatest Generation the history of life as it was lived during the Depression and World War II comes alive and is preserved in people s own words Photographs and time lines also commemorate important dates and events An Army Air Corps veteran who enlisted in 1941 at age seventeen writes to describe the Bataan Death March A black nurse tells of her encounter with

wartime segregation Other members of the Greatest Generation describe their war in such historic episodes as Guadalcanal the D Day invasion the Battle of the Bulge and Midway as well as their lives on the home front Starting with the Depression and Pearl Harbor moving on through the war years in Europe in the Pacific and at home this unique book preserves a people's rich historical heritage and the legacy of a nation's heroism in war and its courage in peace in the shaping of their lives and of the world we have today *Northern Germany as Far as the Bavarian and Austrian Frontiers* Karl Baedeker (Firm),1897
 The Rhine and Northern Germany. (Northern Germany.) Handbook for Travellers. With ... Maps and ... Plans, Etc Karl Baedeker,1877 **Southern Germany, Including Württemberg and Bavaria** Karl Baedeker,1895
