The Church Beyond the Wall James S. Currie, 2019-01-14 From 1949 to 1989 Germany was divided into West and East Germany While West Germany became an ally of Western democracies East Germany was allied with the Soviet Union and was governed by Marxist Communism What was it like to be the church in East Germany Hanfried Muller was a professor of theology and a committed Marxist Johannes Hamel was a pastor who tried to minister in this environment How did the two differ This book examines the contrast between the two men and the struggle many pastors and Christians endured as they lived and worked in a hostile environment Furthermore it raises the question of how Christians everywhere deal with the issue of the relationship between church and state and what the Christian's responsibility is in that relationship

In Search of Germany Michael Mertes, 2018-01-16 Much that has happened in the world since 1989 gives cause for elation but there is also much that gives reason for alarm The euphoria that attended the dismantling of the Berlin Wall and the collapse of communism has been compromised by tragic events in recent years such as the bitter ethnic rivalries in Yugoslavia the civil war in Rwanda and the terrorist bombings in New York City and Oklahoma City In Search of Germany seeks to accomplish three purposes to initiate a review of the whole of the post World War II period and consider what actually happened in the Federal Republic and in the German Democratic Republic during those forty years to acknowledge that the present age of anxiety did not originate in
