He Had It Coming Camika Spencer, 2025-09-23 Five Women A Man And a Plan Meet Marcus Brooks. He's gorgeous. He's successful. He's the bestselling author of African American fiction. He's also the most obnoxious male alive. Meet Raylene, Naomi, Thelma, Gwena and Latice. They are five women who belong to a reading group, strong women with strong opinions. They don't take any grief from anyone, well not if they can help it, and their friendships have stood the test of time. One night they meet up with bestselling author Marcus Brooks. At first they are in awe. Then they are puzzled. Next they're enraged. How can a man whose books are loved by millions act like such a dog? Words are exchanged and more and they soon get in way over their heads. The book club takes Marcus captive and the longer they hold him, the more complicated things get. Can these five women rehabilitate the most arrogant author in the world and teach him a few lessons about life, writing and women? *He Had It Coming* is a wickedly delicious novel by Camika Spencer as shocking as it is hilarious, a delightful send-up of fame and success.

The Old Buzzard Had It Coming Donis Casey, 2017-01-03 A mother of nine on the Oklahoma frontier looks into a drunk neighbor's death in a tale full of wit, humor, sorrow and more important, the truth. Tony Hillerman, New York Times bestselling author of the Leaphorn and Chee series, Alafair Tucker is a strong woman, the core of family life on a farm where the back-breaking work and daily logistics of caring for her husband, Shaw, and their nine children and being neighborly as well, require hard muscle and a clear head. She's also a woman of strong opinions and it is her opinion that Harley Day is a drunkard and a reprobate. So when Harley's body is found frozen in a snowdrift one January day in 1912, she isn't surprised that his long-suffering family, while not actually celebrating, isn't much grieving. When Alafair helps Harley's wife prepare the body for burial, she discovers that his demise was anything but natural: there's a bullet lodged behind his ear. Alafair is concerned when she hears that Harley's son, John Lee, is the prime

suspect in his father's murder especially since her own seventeen year old daughter Phoebe is in love with the boy At first Alafair's only fear is that Phoebe is in for a broken heart But as she begins to unravel the events that led to Harley's death she discovers that Phoebe might be more than just John Lee's sweetheart she may be his accomplice A sharp and suspenseful first novel Chicago Tribune A very sympathetic protagonist the author's depiction of time and place is so vivid that readers will swear they are smelling the brisk Oklahoma air and feeling the dirt under their feet Booklist A book to savor lyrical authentic and heartwarming Carolyn Hart award winning author of *Resort to Murder* Should please even the most demanding fans of historicals with its authentic situations fully drawn characters and clever plotting Library Journal Includes an introduction by the author *Never Saw It Coming* Linwood Barclay, 2012-08-07 Keisha Ceylon is a psychic At least that's what she tells people She watches the news for stories of missing people then waits a few days and goes to see the family She tells them she's had a vision and that she may know where their missing loved one is for a price of course Keisha's latest mark is Wendell Garfield whose wife disappeared a week ago She's seen him on TV pleading for his wife to come home or for whoever took her to let her go Keisha tells Wendell her vision of what might have happened Unluckily for Keisha her vision turns out to be alarmingly close to the truth As she wades deeper into the mystery Keisha inadvertently finds herself caught in a web of suspicion and violence that's much more complicated than she first thought and which may end up with her own disappearance Also includes a preview of Linwood Barclay's newest thriller *Trust Your Eyes* **Chicago** Fred Ebb, John Kander, Bob Fosse, 1976 Based on the play by Maurine Dallas Watkins 9m 10f Premiering in 1975 and the hit of the 1997 Broadway season in a production that originated at City Center's Encore series Chicago won six Tony Awards including Best Revival and later the Academy Award as Best Picture of the Year In roaring twenties Chicago chorine Roxie Hart murders a faithless lover and convinces her hapless husband Amos to take the rap until he finds out he's been duped and turns on Roxie Convicted and sent to death row Roxie and another Merry Murderess Velma Kelly vie for the spotlight and the headlines ultimately joining forces in search of the American Dream fame fortune and acquittal This sharp edged satire features a dazzling score that sparked immortal staging by Bob Fosse A pulse racing revival that flies us right into musical heaven The New York Times Wildly entertaining with a dazzling score New York Daily News *Ten Men and a Road* Susan Mellott Dolan, 2008 The ass had been coming the other way too long He had none left to spare a dime of and as they are had come to the part he had wanted most It was more tours The canceled check was of him and he wrote it for all you had been worth as men do there He wanted war I had wanted both women and money It was motion she was of The inert had died of sin So many were it and all came to rescue the baggage claim of it coming to the Vatican This is sainted material and we had not understood sexual issues were the matter in sin of folly So much is effected as the science of new millennia speaks as God The tale is of a man who had not known why he did as he did It was of a nation that had been effected of that It was a Church that sanctified what was said of men Send mother this *Chambers Universal Learners' Dictionary*, 1980 **The Men and**
