## Heading Uptown:

The Chicago 77 Mary Zangs, 2020-09-14 An entertaining guidebook to the city's many communities with maps, landmarks, history, and fun facts. With over two hundred neighborhoods divided into seventy-seven community areas, Chicago offers a dazzling and daunting challenge to ambitious tourists and lifelong citizens. This blend of history and travel guide introduces you to them. Anyone who's never been to Chicago will be shocked to learn how big it really is. Did you know that Humboldt Park isn't even in Humboldt Park? Confused about the exact boundaries of West Elsdon or curious about the origins of the famous Second City Theater? In a handbook that is both an entertaining adventure and a methodical survey, Mary Zangs tackles all seventy-seven communities, providing maps, points of interest, and local perspectives for the many places

Chicagoans call home. **Going into Town** Roz Chast, 2017-10-03 The Washington Post 10 Best Graphic Novels of the Year, New York magazine The Year's Most Giftable Coffee Table Books, Newsday Best Fall Books, The Verge 10 Best Comics of the Year, Oklahoman Best Graphic Novels of the Year Winner of the New York City Book Award. From the #1 NYT bestselling author of *Can't We Talk About Something More Pleasant?*, Roz Chast, an absolutely laugh-out-loud hysterical AP-illustrated ode to the city. Thank you to Manhattan New Yorker cartoonist and NYT bestselling author Roz Chast, native Brooklynite turned suburban commuter. Deemed the quintessential New Yorker, Chast has always been intensely alive to the glorious spectacle that is Manhattan: the daily clash of sidewalk racers and dawdlers, the fascinating range of dress codes, and the priceless nutty outbursts of souls from all walks of life. For Chast, adjusting to life outside the city was surreal: you can own trees, you have to drive, but she recognized that the reverse was true for her kids. On trips into town, they would marvel at the strange visual world of Manhattan: its blackened sidewalk gum wads, those West Side Story things, fire escapes, its crazily honeycombed systems and grids. Told through Chast's singularly zany laugh-out-loud touching and true cartoons, *Going into Town* is part New York stories, the overheard and overseen of the island borough, part personal and practical guide to walking, talking, renting, and venting, an irresistible one-of-a-kind love letter to the city. **9/11, That Fateful Day** Torin Reid, 2025-05-27

This is a book about the day that the New York World Trade Center was attacked and destroyed. On 9/11, That Fateful Day, also commonly known as September 11 or just 9/11, nearly 3,000 people were murdered, not just within the World Trade Center complex but also at the Pentagon in Washington, DC, and in a plane crashing into a field near Shanksville, PA. This book will focus upon the personal dramas that took place within the World Trade Center. The story is related without any politics, rancor, or geopolitical opinion whatsoever. Within this book, we will follow 24 hours within the fictional lives of three office workers: Roger Phillips, Meena Sukram, and Donna Davis, along with their families and co-workers as they begin their day just like any other. The focus of the book is upon the personal lives of each person as they make their way to the WTC complex only to see their lives upended. The book continues on with their personal lives on the day after the disaster, and then the book ends showing how life and love can overcome all on the 20th anniversary of 9/11, That Fateful Day.
