Guide From A to Z James W. Forsythe, M.D., H.M.D.,2015-02-04 Determined to obliterate the mistruths misconceptions and ineffective strategies embraced by mainstream medicine internationally acclaimed physician James W Forsythe compiled this comprehensive listing of natural treatments for many ailments One of only a handful of integrative medical oncologists in the United States as a licensed Homeopath and a standard medicine physician as well Doctor Forsythe blows the lid off ineffective allopathic medicine which often involves costly addictive drugs that never work anyway Compiled in an easy to follow manner that average people can easily understand this comprehensive Forsythe Natural Remedies Guide lists effective non toxic natural remedies for a vast array of ailments ranging from muscular diseases to pain control and cancer plus common ailments including digestive problems and acne Consumers should consider this alphabetical listing from A to Z as an irreplaceable must have guide for most everyday medical needs These natural remedies can save you money and prevent addictions to pricy but ineffective pharmaceuticals all while treating the underlying conditions that cause certain health problems rather than merely addressing symptoms Natural Healing & Me 2 Keith Davenport, Natural Remedies for Low Testosterone Stephen Harrod Buhner,2016-01-22 How to maintain optimum testosterone levels for the male body through the use of herbs nutritional supplements and diet Explains the phenomenon of male menopause and how to deal with it Reveals scientific evidence of testosterone blocking agents in the environment that alter men s essential chemistry as they age Presents safe organic plant medicines that can restore optimum testosterone levels Contains the most up to date natural treatments for impotence infertility and prostate disease The recognition of andropause the middle age stage in male development comparable to women s menopause is hampered by the lack of a clear outward manifestation of the chemistry and physiology specific to aging men Men are still capable of reproduction well into and beyond middle age Yet a man s sexual desire and potency varies often according to his testosterone level Recent studies show that the lowered testosterone levels endemic in aging men a gradual drop that is quite normal are being exacerbated by environmental agents Testosterone blocking estrogen agents are present in insecticides industrial materials pharmaceuticals and foods Men are daily inundated with a cocktail of estrogen agents that alter the fine balance of testosterone that makes them male But as recent medical research has revealed testosterone replacement therapy with Low T drugs is not a good option because of the increased risk

of cardiovascular problems such as heart attack and stroke and because the body can become dependent on pharmaceutical testosterone and stop producing any on its own In this updated edition of The Natural Testosterone Plan Stephen Harrod Buhner shows why men need help to maintain their testosterone levels as they age and explains how naturally occurring phytoandrogens plant medicines that contain male hormones can safely remedy the depletion exerted by the environment Buhner details how each phytoandrogen works when its use is indicated and the most appropriate method of application providing all men with safe natural and effective means of maintaining optimum testosterone levels well into old age
