Journey Through Menopause Christine Downing, 1987 This intensely personal account of the little written about sacred dimension of menopause combines religious studies with psychology to understand menopause as soul event regarding its symptoms as symbols and provides insight into what this transition can be like for those women who choose to embrace it as a meaningful part of their lives Downing explores menopause as a rite of passage and reveals her own inner and outer journey through this process using a trip she took to India when she turned 50 to mark the occasion She shares with her sisters the lessons learned on the journey the discovery

that I was done with the heroic quest the acceptance of weakness and vulnerability the recognition of my dependence on other women the revelation that I am loved enough *Think Again!* Jeanne D. Andrus, 2017-11-07 Discover what goes on in your midlife brain the science behind it and what you can do about it with help from The Menopause Guru and health coach When the changes of menopause start happening it seems that our ability to concentrate complete tasks and remember simple little everyday things like our own names goes out the window It can feel like you're losing your mind or at least your glasses In *Think Again* Jeanne Andrus tackles brain fog a term she uses for the symptoms of menopause that affect the way you think She covers why they happen what they feel like and how to tell when these might be symptoms of a more serious issue More importantly she covers how you can cope with these changes in your daily life including how you can optimize your approach to brain health to make sure you can think again for the rest of your life **30 Day Journal and Tracker:**

Reversing Perimenopause Health Formation, 2020-02-04 After relentlessly studying the teachings of legendary healers such as Dr Arnold Ehret and Dr Robert Morse we set out on a journey of healing ourselves and reversing our very own conditions Within our group we were suffering from a range of diverse diseases and conditions including Heart Disease Kidney Disease Diabetes a variety of Autoimmune Diseases and Leaky Gut During our healing journeys we formed a journal that we would use on a daily basis and this helped us to incorporate all of the lessons and tips that we had learnt and refined along the way in short it acted as a check list It was important to us to not miss out on any knowledge and practices that had served us well This journal is designed to guide and support you through your own journey with the core healing protocols included within its theme One of the key conclusions that we reached through our individual journeys was that whether you are a sufferer of Perimenopause or any other condition the same protocol that we used applies However dependant on the severity of your Perimenopause you may need to follow the protocols for longer using specific herbs in order to achieve positive results but you can make your own adjustments as you learn more The great news is that all information and resources are readily available for personal study and application Dr Arnold Ehret's books can be downloaded freely if you search for arnold ehret books pdf Visit rawfigs.com for Dr Robert Morse videos which can be searched through by keywords via the search bar With this journal and your newly acquired knowledge we trust that you will also soon start to experience the positive results that we did along with the many others that send us regular positive feedback We wish you all the best The Health Formation Team
