He Done Her Wrong:

He Done Her Wrong Stuart M. Kaminsky, 2011-12-13 Goodness has nothing to do with it as a hard luck private eye in 1940s Hollywood takes a case for legendary silver screen sex symbol Mae West In the early days of talking pictures the greatest sex symbol in Hollywood was the platinum blonde bad girl Mae West Naughty and gorgeous with a razor sharp wit West wrote her own material and controlled her own image until the censors came in and outlawed the racy repartee that made her famous By the forties her star has faded and she's banking everything on a scandalous memoir that she hopes will set the stage for a comeback When the only copy is stolen she calls in a favor from an old beau the brother of wisecracking PI Toby Peters When Mae West asks Why don't you come up sometime and see me you don't say no Peters arrives at a party at West's house where every guest is a man dressed as the woman herself and one of them may be the thief who stole the manuscript But before he can tear off the culprit's wig Peters finds that this is about more than theft The crook wants to destroy Mae West and he has murder on his mind The star of Edgar Award winner Stuart M Kaminsky's fun forties private eye series Peters is a good guy with a sense of humor and every appearance he makes is a welcome one Booklist [He Done Her Wrong](#) Kali Amanda Browne, *He Done Her Wrong* the revised second volume in the Bloody Trail of Disenchantment series includes vignettes about infidelities real and perceived and their effect on a variety of souls Some stories have funny moments some have tragic moments some stories have horrific details that will haunt you Some events in this collection of stories are based on real life which only seek to portray a moment in time in the aftermath of infidelity told without judgement save for what the characters themselves have to say about it and with a playful array of cascading details see if you can identify them from story to story The scenes of atrocity and names of the guilty have been changed to protect the disenchanted so that they may continue on their bloody trail until fully healed who knows if that's even a thing For the record there are good and loyal people in this world Folks who are honest committed loving and ethical These stories are not about those people
