But Without a Parable Jesus Did Not Speak Interpretation of All the Parables of Jesus Christ Stephen Buttafuoco, 2019-03-24 In this volume *But Without a Parable Jesus Did Not Speak Interpretation of All the Parables of Jesus Christ* tenders a brand new outlook on the ministry of Jesus as a human being and as eternal God and serves a biblical interpretation of the spiritual language of parables This gospel commentary was taken from the Book of Matthew that harmonizes teachings of the other New Testament books and from that point on offers a cultural and political background of the times when Jesus was living in Israel with dates and historical fact and analysis of everything written in his three and a half year ministry on earth Since this is a resource that interprets all the gospel parables spoken by Jesus from Matthew Mark and Luke and in addition makes clear his plan of salvation created from the foundation of the world *But Without a Parable Jesus Did Not Speak Interpretation of All the Parables* puts forward a detailed description at the time of the cross while Jesus was alive and knew that all things at that moment had been accomplished and the scriptures had been fulfilled He cries out it is finished and that moment in time ensures the payment for sin was fully paid for while Jesus was still alive on the cross And another aspect of the book explains the controversy of divorcement and the NT Sabbath day which are all included as part of the new covenant that comprises the doctrines of the Christian churches
