Adams, 2010-08-10 Connecting sound biblical doctrine to the practice of effective counseling Jay E Adams vocal advocate of a strictly biblical approach to counseling and author of the highly influential book Competent to Counsel firmly believes that the Bible itself provides all the principles needed for understanding and engaging in holistic counseling But in order to bring the practice of counseling whether by professional therapists or by the church under biblical guidance we first have to deepen our understanding of Scripture A Theology of Christian Counseling is the connection between solid theology the study of God and its practical application Each of its sections are devoted to increasing our understanding of counseling s potential by looking at it through the lens of doctrines such as Prayer and the doctrine of God Human Sin and the doctrine of Man Redemption and the doctrine of Salvation Forgiveness and the doctrine of Sanctification No counseling system that is based on some other foundation can begin to offer what Christian counseling offers No matter what the problem is no matter how greatly sin has abounded the Christian counselor's stance is struck by the far more abounding nature of the grace of Jesus Christ in redemption What a difference this makes in counseling Jay E Adams With this book you ll gain insight into the rich theological framework that supports and directs your approach to how you help people change Pascally Makgoba, 2021-09-29 This book is the fictionalized untold stories of the Bible that is based on genesis The other side of Lucifer and Eve The celestial war that resulted with his banishment from heaven and it focuses more on angels than mortals Also includes the angels that fell in love with mortals as it is written on genesis 6 2 The entire works of John Bunyan, ed. by H.
