Stories from the Front Line: The People Behind the NHS Headlines Yvonne Bennett, Christina Stead, 2025-01-07
NHS Scotland appears to be in crisis Today the British media is full of headlines such as 89 year old great grandmother waits 5 hours for an ambulance These are a talking point for a day or two and then another headline of a similar ilk takes over This book examines the traumatic experiences of the elderly people whose stories make up these headlines The authors have carried out research into the effects of long waiting times for ambulances and the problems that NHS Scotland is facing through chronic staff shortages The waits and the limitations to patient care have long term implications for the patients the relatives and the staff Throughout the book we discuss iatrogenic disease harm that is occurring daily for patients visitors and staff The book concentrates on the new Glasgow hospital The Queen Elizabeth University Hospital which opened its doors in 2015 This is one of the largest hospitals in Europe and replaces 5 older Glasgow hospitals and has been beset by major problems since its opening By interviewing relatives and staff the authors have examined their experiences both during and following a traumatic event Themes found throughout the book include poor communication trauma low staff morale suicide and the problems caused by the size and design of the hospital The authors have also analysed statistics from NHS Scotland and Scottish Ambulance Service regarding waiting times and the use of agency staff The overarching goal of this book was to give a voice to those behind the statistics

The Russian Military Resurgence René De La

Pedraja,2018-12-11 The transition from the Soviet to the post 1991 Russian military is a fascinating story of decline and reinvention The Soviet army suffered a slow demise dissolving in 2000 and only gradually reforming based on radically different principles The First Chechnya War 1994 1996 was the lowest point for the Soviet military but the Second Chechnya War 1999 2004 saw the initial stirrings of the new Russian army The Five Day War with Georgia in August 2008 was its first major success and marked Russia s return to world power status Lively accounts and maps describe the actions of these wars along with the Crimea operation of 2014 the separatist struggles in eastern Ukraine and the ongoing Russian intervention in Syria

Interpretation and Method Dvora Yanow,Peregrine Schwartz-Shea,2015-03-04 Exceptionally clear and well written chapters provide engaging discussions of the methods of accessing generating and analyzing social science data using methods ranging from reflexive historical analysis to critical ethnography Reflecting on their own research experiences the contributors offer an inside applied perspective on how research topics evidence and methods intertwine to produce knowledge in the social sciences

The Tamil Separatist War in Sri Lanka Channa Wickremesekera,2016-02-26 The complex and long drawn war between the Sri Lankan government and the Liberation Tigers of Tamil Eelam LTTE ended with the defeat of the Tigers in 2009 This book provides a military history of the conflict in tracing its evolution from a battle between a ragtag guerrilla force and a mainly ceremonial army to one between an organized guerrilla force with semi conventional capability and a state military apparatus that had morphed into a large and potent force with modern armour aircraft and naval vessels Using a wide range of sources this book offers an incisive analysis of the progress and conclusion of one of the longest and most destructive wars in modern South Asia Comprehensive and accessible the volume will be of great interest to scholars and researchers of modern South Asia especially Sri Lanka military history politics defence and strategic studies as well as the general reader

International News Agencies Michael B. Palmer,2020-01-02 International news agencies such as Reuters the Associated Press and Agence France Presse have long been unsung heroes of the media

sphere From the mid nineteenth century in Britain the US France and to a lesser extent Germany a small number of agencies have fed their respective countries with international news reports They informed governments businesses media and indirectly the general public They helped define news Drawing on years of archival research and first hand experience of major news agencies this book provides a comprehensive history of the leading news agencies based in the UK France and the USA from the early 1800s to the present day It retraces their relations with one another with competitors and clients and the types of news information and data they collected edited and transmitted via a variety of means from carrier pigeons to artificial intelligence It examines the sometimes colourful biographies of agency newsmen and the rise and fall of news agencies as markets and methods shifted concluding by looking to the future of the organisations **Africa's Media Image**

Beverly G. Hawk,1992-05-20 Analyses stories about Africa in the American media This book looks at bias and content in coverage of subjects such as the Algerian war of independence and US food aid in Africa and also looks at the portrayal of race tribalism and nationalism **The New Heretics** Andy Thomas,2021-12-14 This is the most balanced and well reasoned investigation available into why people believe today s highly divisive conspiracy theories from COVID and QAnon to 5G scares fake news and more Through their part in some huge controversies conspiracy theorists are being branded the

Number One Enemies of our times the new heretics They are seen to threaten the very fabric of modern society spreading doubts and fears that result in Washington Capitol invasions transmission mast burnings or the spread of anti vaxx material Yet the theorists prefer to call themselves truth seekers and see the mainstream establishment as the real disruptor treating its increasingly harsh censorship as direct validation of their views In truth the new heretics whose numbers are swelling are symptoms of a wider polarization splitting apart much of the world in ideological divisions Many have lost trust in politicians and the media while nuanced debate is crushed and information overload and manipulation breeds uncertainty civil unrest and mental health issues How does the age old strategy of divide and rule play out in such an environment Using his extensive experience of negotiating disputes between cynics and truth seekers Andy Thomas explores the proliferation of conspiracy thinking peeling back unhelpful layers of biased thinking on all sides to find more insightful ways to bridge the polarised divides and create a better way forward **Media Studies** Robert Kolker,2009-02-24 Media Studies is a comprehensive text for introductory and advanced courses in the growing field of media studies integrating history with close textual analysis in a concise readable style Explores the growing synergies between print and online journalism and the growth of independent journalism through blogging Discusses the ways advertising is connected to print and screen economically and from the perspective of the reader Gives students the analytical skills they need in a presentation that is readable without sacrificing complexity Allows students to move within the media they know while increasing comprehension

From Crisis to Catastrophe Mignon Duffy,Amy Armenia,Kim Price-Glynn,2023-05-12 The COVID pandemic has shaken the material and social foundations of the world more than any event in recent history and has highlighted and exacerbated a

longstanding crisis of care While these challenges may be freshly visible to the public they are not new Over the last three decades a growing body of care scholarship has documented the inadequacy of the social organization of care around the world and the effect of the devaluation of care on workers families and communities In this volume a diverse group of care scholars bring their expertise to bear on this recent crisis In doing so they consider the ways in which the existing social organization of care in different countries around the globe amplified or mitigated the impact of COVID They also explore the global pandemic s impact on the conditions of care and its role in exacerbating deeply rooted gender race migration disability and other forms of inequality
