Jesus before Pentecost William P. Atkinson, 2016-02-09 Jesus before Pentecost studies the history of Jesus ministry from William P Atkinson s Pentecostal perspective This perspective affects both his method and the book s content In terms of method Atkinson puts forward a strong argument for looking carefully at John s Gospel as well as the synoptic gospels as a reliable historical source for Jesus life And in terms of content his main areas of study follow key Pentecostal interests summed up in the foursquare Pentecostal rubric of Jesus as savior healer baptizer in the Spirit and soon coming king The picture that emerges offers fresh insights into Jesus life notably the symbolic meaning Jesus invested in the feeding of the five thousand the personal cost to Jesus of his approach to healing the sick the involvement of God s Spirit in his life and in the lives of those around him and lastly his enigmatic predictions of his future coming Overall the study is both academically rigorous and warmly engaging It will appeal to anyone who is seriously interested in Jesus whether or not they are Pentecostal
