Testament **The Spirit and Power of Elijah** Michelle McClain-Walters,2023 Throughout human history there arise certain figures whose stories resonate across time and culture illuminating a path of faith and righteousness with a radiant glow Among these towering figures the biblical prophet Elijah stands as a beacon his narrative an exquisite tapestry woven with divine encounters unwavering conviction and miraculous interventions Yet Elijah is not merely a relic of the past he is a living testament to the enduring relationship between humanity and the Spirit of God Within the pages of this book we embark on a transformative journey through the life ministry and legacy of this remarkable prophet We will look deep into his character and discover the passions that set his heart ablaze the faith that propelled him into action and the profound encounters with God that defined his destiny Elijah's story transcends mere historical documentation it is a revelation of the limitless potential that emerges when the human spirit converges with the power of God *So You Want to Be an Elijah* David J Bruns,2012-10-19 What would you do if Christianity and Judaism were to become illegal What if your government mandated that large church buildings become government buildings and museums while small churches were bulldozed What if all known men and women of God were designated enemies of the state and either imprisoned in solitary confinement or summarily executed What if the government started a new state religion which was clearly a substitute for the worship of Yahweh God What if you seemed to be the only one who recognized the situation the only person who still recognized and prayed to God Would you keep a low profile for your own safety Would you pray for God's honor This is exactly the situation in which Elijah found himself in ancient Israel Not only was he apparently the only man of God left in the land he was seemingly a nobody He was an ordinary man living in a rural area Join us as we examine Elijah's life in the crucible of ancient Israel where he jumped from obscurity to the most wanted where the entire government mobilized itself to find him in order to put him to death Join us as we follow his death defying steps to one of the greatest miracles of God in all history Would you like to be an Elijah **Elijah Prophet of Carmel** Jane Ackerman,2018-07-18 For Carmelites Elijah is considered their legendary founder and patron This study explores Elijah in Scripture legend and Carmelite documents Members of the three monotheistic faiths have always told stories of what the prophet Elijah has done and is still expected to do in sacred history He is perhaps most appreciated by members of the Carmelite Order known for its contemplative and pastoral orientation Elijah is considered their legendary founder and traditional patron Carmelites rank him as one of their greatest spiritual models Their coat of arms displays his flaming sword Mount Carmel and Elijah's proclamation With zeal I have been zealous for the Lord God of Hosts This book inquires into this deep appreciation It examines the linkage between the Order and the prophet over time More Information Beginning with the oldest knowledge we have about Elijah coming from Scripture Elijah Prophet of Carmel briefly sketches his role in the three faiths of Judaism Christianity and Islam It then turns to what the distant but influential Christian antecedents of the Carmelite Order the desert hermits and the early Fathers wrote about the zealous man of God As the Carmelite Order was founded achieved its corporate identity and changed over time so did its

views of its legendary model Interaction between storytelling about Elijah and Carmelites understanding of themselves continues even to the present As thoughts from the past about the prophet continue to influence them both Teresian Carmelites and Carmelites of the Ancient Observance of our times are developing a brand new tradition of him the tradition of Elijah s double charism **Mark and the Elijah-Elisha Narrative** Adam Winn,2010-08-01 In this monograph Adam Winn proposes that the ancient Greco Roman literary practice of imitation can and should be used when considering literary relationships between biblical texts After identifying the imitative techniques found in Virgil s Aeneid Winn uses those techniques as a window into Mark s use of the Elijah Elisha narrative of 1 and 2 Kings Through careful comparisons between numerous pericopes of both respective narratives Winn argues that the Markan evangelist has at many points clearly and creatively imitated the Elijah Elisha narrative and has relied on this narrative as a primary source *The Child's Story Bible* Catherine F. Vos,1983-08-29 Hundreds of thousands of children throughout the world have been introduced to the riches of the Bible through this classic Bible storybook First published seventy years ago the much loved Child s Story Bible continues to instruct and delight today s children and parents *Elijah the Tishbite.
