Helen Nicholson, 2019-07-15 Published in 1997 this is a translation of the *Itinerarium Peregrinorum et Gesta Regis Ricardi*  
The Itinerary of the Pilgrims and the deeds of King Richard based on the edition produced in 1864 by William Stubbs as  
volume 1 of his chronicles and memorials of the reign of King Richard I This Chronicle is the most comprehensive and  
complete account of the Third Crusade covering virtually all the events of the crusade in roughly chronological order and  
adding priceless details such as descriptions of King Richard the Lionheart's personal appearance, shipping, French fashions  
and discussion of the international conventions of war It is of great interest to medieval historians in general, not only  
historians of the crusade The translation is accompanied by an introduction and exhaustive notes which explain the  
manuscript tradition and the sources of the text and which compare this chronicle with the works of other contemporary  
writers on the crusade Christian and Muslim The translation has been produced specifically for university students taking  
courses on the Crusades but it will appeal to anyone with an interest in the Third Crusade and the history of the Middle Ages
