Estess, 1983 As the first book-length collection to focus on Elizabeth Bishop this book has become an essential resource on this poet now recognized as one of America's greatest artists whose poetry as Harold Bloom says in his foreword stands at the edge where what is most worth saying is all but impossible to say The volume includes major essays by David Kalstone Helen Vendler and Robert Pinsky among others a chronology of short articles and reviews poems memoirs and memorials many by major poets among them Bishop's three most notable supporters Marianne Moore Robert Lowell and Randall Jarrell and an illuminating selection of work by Bishop herself some of which is unavailable anywhere else Publisher's description **Elizabeth Bishop at Work** Eleanor Cook, 2016-08-15 Index to Bishop's Poems Stories and Essays General Index **Love Unknown** Thomas

Travisano,2019 An illuminating new biography of one of the greatest American poets of the 20th century reveals just how she learned to marry her talent for life with her talent for writing in order to create a brilliant array of poems prose and letters

Elizabeth Bishop C. K. Doreski,1993-05-27 This illuminating study examines Elizabeth Bishop s rhetorical strategies and the way they shape the formal and thematic movements of her poetry and stories Unlike other recent studies of Bishop Doreski s does not concern itself primarily with her visual imagery but rather deals with her poetry as a series of linguistic strategies designed to create the maximum illusion of representation while resisting the romantic devices of self revelation and solipsistic narration Doreski argues that Bishop takes advantage of the inadequacies of language and with a postmodern sense of limitation explores the gaps and silences narrative must bridge with the mundane the patently inadequate leaving an air of emotional intimacy without committing itself to the banality of full exposure This study finds the poems and stories mutually illuminating but while moving back and forth among her various works acknowledges the intelligent ordering of the volumes Bishop published in her lifetime *Five Looks at Elizabeth Bishop* Anne Stevenson,1998 *Elizabeth Bishop* Lorrie Goldensohn,1992 Elizabeth Bishop A Biography of a Poetry is a fascinating account of one of the most influential and beloved poets of the past fifty years Writing a clean spare poetry of elegance lucidity and great charm Bishop appears to offer small insight into her private life wryly remarking that confessional poets overdo the morbidity **Elizabeth Bishop** Susan McCabe,2010-11-01 *The Cambridge Companion to Elizabeth Bishop* Angus Cleghorn,Jonathan Ellis,2014-02-17 This Companion engages with key debates surrounding the interpretation and reception of Elizabeth Bishop s published and unpublished writing in relation to questions of biography the natural world and politics Chapters from an international team of scholars explore the full range of Bishop s artistic achievements and the extent to which posthumous publications have contributed to her enduring popularity Words in Air Elizabeth Bishop,Robert Lowell,2024-05-01 Three decades of correspondence between two great twentieth century American poets A brilliant testament to the pleasure and power of good company These two lifetimes of mutual admiration make for irresistible reading Oprah com Words in Air takes its place amid the letters of Keats and Hopkins and Owen as one of the great poetic correspondences The Atlantic Robert Lowell once remarked in a letter to Elizabeth Bishop You have always been my favorite poet and favorite friend The feeling was mutual Bishop said that conversation with Lowell left her feeling picked up again to the proper table land of poetry and she once begged him Please never stop writing me letters they always manage to make me feel like my higher self I ve been re reading Emerson for several days Neither ever stopped writing letters from their first meeting in 1947 when both were young newly launched poets until Lowell s death in 1977 Presented in Words in Air is the complete correspondence between Bishop and Lowell The substantial revealing and often very funny interchange that they produced stands as a remarkable collective achievement notable for its sustained conversational brilliance of style its wealth of literary history its incisive snapshots and portraits of people and places and its delicious literary gossip as well as for the window it opens into the unfolding human

and artistic drama of two of America's most beloved and influential poets. The pleasures of this remarkable correspondence lie in the untiring way these poets entertained each other with the comic inadequacies of the world. *The New York Times Book Review* Words in Air may be the only book of its precise kind ever published the lifelong correspondence between two artists of equal genius. *The New Yorker* This volume takes its place along with the correspondence between Edmund Wilson and Vladimir Nabokov or Kinglsey Amis and Philip Larkin as consummated examples of wit, affection, and indeed in the case of Bishop and Lowell love. *Boston Sunday Globe* **Elizabeth Bishop and The New Yorker** Elizabeth Bishop, 2023-01-17
