**Women in American Politics: History and Milestones** Doris Weatherford,2012-01-20 Women in American Politics is a new reference detailing the milestones and trends in women s political participation in the United States This two volume work provides much needed perspective and background on the events and situations that have surrounded women s political activities It offers insightful analysis on women s political achievements in the United States including such topics as the campaign to secure nation wide suffrage pioneer women state officeholders women first elected to U S Congress governorships mayoralities and other offices and women first appointed as Cabinet officials judges and ambassadors It also includes profiles of the women who have run for vice president and president Women in American Politics is organized in a framework both logical and useful to readers and researchers Original material offers students scholars teachers and other professionals a guide to understanding the complex struggle in women s progress toward achieving political parity with men in the United States Each chapter is structured in three parts part one features graphic information tables lists charts or maps detailing the historical record with data not compiled anywhere else on women officeholders part two offers insightful narrative analysis describing how women achieved

what they did examines the complex and sometimes contradictory trends behind the facts of women's political milestones and explores how social and economic contexts affected the progress of their accomplishments part three presents biographical entries describing in more personal terms women's struggle for political equality Sidebars in each chapter illuminate the drama of political life and consider the evolving female electorate exploring how women voters have impacted particular issues specific elections or other key turning points and the tradition of appointing widows to open seats The final chapter uniquely looks at women's political history and differences in achievement from a state and regional perspective Entries on each state as well as on District of Columbia and Puerto Rico highlight milestones and provide insight into the unique aspects of each state

**American Voices** Bernard K. Duffy, Richard Leeman, 2005-08-30 Contemporary public speaking remains an important part of our national life and a substantial force in shaping current events Many of America's most important moments and issues such as wars scandals election campaigns September 11 2001 have been defined by oratory Here over 50 essays cover a substantial and interesting group of major American social political economic and cultural figures from the 1960s to the present Each entry explains the biographical forces that shaped a speaker and his or her rhetorical approach focuses mainly on a discussion of the orator's major speeches within the context of historical events and concludes with an appraisal of the speaker and his or her contribution to American political and social life All entries incorporate chronologies of major speeches bibliographies including primary sources biographies and critical studies and archival collections or Web sites appropriate for student research Entries include high profile individuals such as John D Ashcroft Elizabeth Dole Jerry Falwell Anita Hill Ralph Nader Ronald Reagan Janet Reno Gloria Steinem Malcolm X and many others Excerpts of major speeches and sidebars complement the text Ideal for researchers and students in public speaking classes American history classes American politics classes contemporary public address classes and rhetorical theory criticism classes

**Telling Political Lives** Brenda DeVore Marshall, Molly A. Mayhead, 2008-06-24 This book investigates the autobiographical writings of Barbara Jordan Patricia Schroeder Geraldine Ferraro Elizabeth Dole Wilma Mankiller Hillary Rodham Clinton Madeleine Albright and Christine Todd Whitman These eight women represent the diversity that permeates the cultural backgrounds life adventures and ideologies women bring to the political table From differences in race class and geographic location to variations in personal and family experiences religious beliefs and political ideology these women illustrate many of the divergent standpoints from which women craft their lives in the United States Each essay focuses on the autobiographical text as political discourse and therefore as an appropriate site for the rhetorical construction of a personal and civic self situated within local and national political communities The collection examines issues such as the intersection between the politicization of the private and the personalization of the public evident in the women's narratives the description of U S politics the women provide in their writings the ways in which the women's personal stories craft arguments about their political ideologies the strategies these women leaders employ in navigating the gendered double

binds of politics and the manner in which the women's discourse serves to encourage, instruct and empower future women leaders. The analyses embody and explicate the political and rhetorical strategies these leaders employ in their efforts to act on their convictions, highlight the need for and reality of women's involvement in all levels of politics and serve as an impetus and inspiration for scholars and activists alike. **Unconventional, Partisan, and Polarizing Rhetoric** Jeanine E.

Kraybill, 2017-11-14 The rhetoric and political communication of the 2016 Presidential Election was arguably unconventional, partisan and polarizing, becoming a defining characteristic of the tone and feel of the campaign. In this volume we examine how rhetoric and various political communication strategies influenced and shaped the contours of the election and ultimately its outcome. Witnessing the most diverse electorate in U.S. political history, we look at how voters were primed for an anti-establishment outsider candidate and how various rhetorical and communication appeals were used to strategically engage different groups of voters and at times leave out or even scapegoat others. We also analyze how rhetoric and political communication shaped the debate on key issues such as climate change, immigration, national security, gender and representation. In an age where having a social media presence is an essential campaign tool, we examine how Twitter was used by candidates and its impact on the electorate and news coverage. Overall, we demonstrate that political rhetoric and communication is impactful, bearing electoral consequences and the potential for policy outcomes, giving the reader much to consider as we approach the next midterm and general election. Communicating Politics Mitchell S. McKinney, 2005 Half of our eligible citizens fail to cast a presidential ballot and many more than half routinely ignore state and local elections. Does this phenomenon point to a crisis of democracy or does such behavior simply reflect indifference or even contentment among the public? Should we be alarmed that so many of our citizens seem disinterested and unwilling to participate in the various activities and forms of association that constitute civic life? If we are concerned by such matters, what might be done to reengage those who are seemingly disengaged? This book explores these questions and examines the well-being of our civic condition at the beginning of the twenty-first century. Grounded in a communication perspective, we view the fundamental nature of a democracy as that of a civic dialogue, an ongoing conversation between our elected leaders or political candidates and the citizens they lead or wish to lead. Accordingly, the studies presented in this volume examine our civic sphere and the electoral process as a communicative interaction between elected officials, political candidates, the media and citizens.
