**Gentleman** Mary Beth Harris, 2024-03-15 A Genealogy of the Gentleman argues that eighteenth century women writers made key interventions in modern ideals of masculinity and authorship through their narrative constructions of the gentleman. It challenges two latent critical assumptions: first, that the gentleman's masculinity is normative, private and therefore oppositional to concepts of performance; and second, that women writers from their disadvantaged position within a patriarchal society had no real means of influencing dominant structures of masculinity. By placing writers such as Mary Davys, Eliza Haywood, Charlotte Lennox, Elizabeth Inchbald and Mary Robinson in dialogue with canonical representatives of the gentleman author, Joseph Addison and Richard Steele, David Hume, Samuel Johnson and Samuel Richardson, Mary Beth Harris shows how these women carved out a space for their literary authority not by overtly opposing their male critics and society's patriarchal structure but by rewriting the persona of the gentleman as a figure whose very desirability and appeal were dependent on women's influence. Ultimately, this project considers the import of these women writers' legacy both progressive and conservative on hegemonic standards of masculinity that persist to this day.

**To Write Like a Woman** Joanna Russ, 1995-06-22 To Write Like a Woman is a rare example of a feminist tackling science fiction using postmodern theory, which makes for a much more sophisticated and nuanced appraisal than the usual fare. Russ's essays are witty and insightful. An excellent book for any writer or reader. Feminist Bookstore News. In her new book of essays, Russ continues to debunk and demand edify and entertain. Appreciative of surface aesthetics, she continually delves deeper than most critics yet in terms so simple and accessible that her essays read like lively, angry, humorous dialogues conducted face to face with the author. Russ is the antithesis of the distant critic in her ivory tower. Paul Di Filippo, The Washington Post Book World. 20 years of the author's feisty reports from the front lines of literature. The San Francisco Review of Books. This is a book of imaginative and provoking essays, but you should read it for the sheer fun of it. The Women's Review of Books. Collects more than two decades of criticism by Joanna Russ, one of the most perceptive, forthright and eloquent feminist commentators around. Feminist Bookstore News, a super book. This is a book that for once really will appeal to readers of all kinds. Utopian Studies. If you enjoy science fiction, this is definitely a book that you'll want to talk about. I found myself sneaking a few pages at times when I really didn't have time to read. Jan Catano, Atlantis. Classic essays on science fiction and feminism by Nebula and Hugo award-winning Joanna Russ. Here she ranges from a consideration of the aesthetic of science fiction to a reading of the lesbian identity of Willa Cather. To Write Like a Woman includes essays on horror stories and the supernatural, feminist utopias, popular literature for women, the modern gothic and the feminist education of graduate students in English.
