Elizas Daddy:

Eliza's Wish Rick Farren, 2007-03 Eliza's Wish is the third book in the Dickey Denton series. It's the story of Dickey Denton and the mystery he and his friends uncover at Rocky Neck Lighthouse and the Josiah Wheeler mansion. Spurred on by his vivid imagination and his need to discover the truth about the woman who walks the widow's walk, he seeks guidance from his grandfather. Reluctant at first to give in to Dickey's wishes, Grandpa eventually relents and suggests he seek advice from the spirit of his great-great-grandmother Eliza Tuffett. Unsure of what to expect, he summons up his courage and decides to risk it. With the help of his friends, they embark on the adventure, and their curiosity takes them back to Rocky Neck Lighthouse and to the haunted Josiah Wheeler mansion on a mysterious journey they'll never forget.

The Way Home Megan Chance, 2011-07-20 Eliza Beaudry was determined to leave Richmond and poverty behind, and if that meant trading a few kisses for her freedom, she was more than willing to do so. When handsome gambler Cole Wallace sauntered into town, she saw in him her savior. But Cole's daydreams didn't include the poor daughter of a sharecropper, no matter how pretty, and when he left Richmond, he left Eliza behind penniless and in a world of trouble. With no other choices, Eliza turned to Cole's shy brother Aaron. He was nothing like the man of her dreams, nor was his farm in the middle of West Texas, nowhere. But there was something about him, and suddenly Eliza found herself questioning the life she'd always wanted and wondering if her dreams could change.

Out of the Mist Lynne Chitty, 2018-03-27 A story about the healing power of landscape. Set within the dramatic landscape of the Isle of Skye, it deals with how the sport of running can be used as part of a healing process. In *Out of the Mist*, a woman with a traumatic past eventually fulfills her lifelong dream of visiting the Isle of Skye, but a phone call just as she arrives on the island almost threatens to derail her whole visit. Used to avoiding company, Eliza unexpectedly finds herself invited to join a trip to the Half

Marathon in Portree where she discovers joy and camaraderie within this running fraternity for the first time Can friendship and the haunting landscape that speaks so deeply to her soul give her the courage to overcome her past and to begin again On returning from her holiday a further tragedy drags her back into the horror of her past The story of this past is told from the point of view of Eliza her bedridden mother Edith and her half brother Marcus recently released from prison Each is haunted by the violent events of an attack in their family home eight years earlier which changed all their lives and destroyed their family Out of the Mist asks questions about faith and guilt and regret exploring loneliness and friendship hope and despair Does the past always have to define us or is the human spirit capable of overcoming all things *Eliza Berry A Second Chance* Daniella Colombo, 2022-02-09 Should a young girl save her father at the cost of trillions of fathers Eliza a tormented thirteen year old lives in the near future in a city called Cresco After her dad disappears down a wormhole she is catapulted into the intrigues of an incredible unfamiliar alien world on Earth Realising that everything she once knew was a lie and with her emerging but unreliable special powers Eliza teams up with her new friends TrueBias Yardley and Zeno and sets out on a quest to save her father She soon discovers that it is not only her dad who is in mortal danger but so is the survival of the whole galaxy She has to protect the precious Luxlumen stone from the Viscorpus race But even if she secures the stone as the only bargaining tool does she use it to save her father or the galaxy How can she save them both A note from Daniella Choosing an appropriate book for your child or even for yourself can be a challenge and with so many on offer sometimes making the right choice is a lucky dip The Look Inside feature is excellent as it gives you the opportunity to see the style of writing and the initial direction of the story It is important to highlight that this book is written in British English and has not been translated into American English therefore for younger readers there may be some confusion with language such as Lift Elevator Flat Apartment Pavement Sidewalk I thought I would also add some further information to help you with your choice Eliza Berry A Second Chance does not contain any foul language drug use misuse and there is no reference to sex or any sexual scenes or associated language The story does however contain fight scenes which although are not heavily graphic and some are quite comical sometimes Eliza and her pals are in real danger and there are descriptions of being strangled and held by the throat or hair and other characters being hurt We assume one character is dragged into outer space but this is not confirmed This is a light science fiction novel for children from the age of 10 upwards Eliza Berry the main character is a girl of little confidence and as much as this is a story about adventure and discovery it is also a story of how Eliza transforms from an individual with low self esteem and poor self worth As many 13 year olds she is struggling to find her place in the world and this story I'd like to think takes us on a journey where Eliza learns to love and accept herself for her uniqueness Accepting who we are is an important part of growing up and I touch on the themes of domestic violence low self esteem love family feelings of abandonment isolation fear friendship trust acceptance and honesty All of us are special and unique and we all have a superpower It is just hard sometimes to find it *Eliza's Heart* D.P. Abrahams' Mine Boy Rodney Nesbitt,1997 **Selections from Eliza Leslie** Eliza Leslie,2011-12-01 Best known for her culinary and domestic guides and the award winning short story Mrs Washington Potts Eliza Leslie deserves a much more prominent place in contemporary literary discussions of the nineteenth century Her writing known for its overtly moralistic and didactic tones though often presented with wit and humor also provides contemporary readers with a nuanced perspective for understanding the diversity among American women in Leslie s time Leslie s writing serves as a commentary on gender ideals and consumerism presents complicated constructions of racial national and class based identities and critiques literary genres such as the Gothic romance and the love letter These criticisms are exposed through the juxtaposition of her fiction and nonfiction instructive texts which range from lessons on literary conduct to needlework from recipes for American and French culinary dishes to travel sketches from songs to educational games Demonstrating the complexity of choices available to women at the time this volume enables readers to see how Leslie s rhetoric and audience awareness facilitated her ability to appeal to a broad swath of the nineteenth century reading public **A Distant Shore**

exposed to the incapable and incompetent hapless father archetype on a regular basis causing both boys and girls to expect the bare minimum of fathers while mothers hold the responsibility for all domestic and parenting work. Cartoons rely heavily on toxic stereotypes for ratings when in fact healthy representations of fathers are just as successful in maintaining viewership. Eleven essays written by scholars from around the world investigate the topic of fatherhood as it is represented in children's animated television shows. Main themes that emerge include absent and negligent fathers, single fathers, generational shifts within families, and raising the standard of fathering by creating secure bonds between father and child. The authors uncover problematic fathers, imperfect yet redemptive fathers, and fathers who embody idealized parenting traits through some of our most beloved animated dads. This collection demonstrates the impact that media representations of father figures have on young viewers and argues for better role models. **The Billionaire's First Glance** Jane

Lexington, 2025-08-24 I think she's the one Nathan admitted. But how do I get her to marry me in less than five weeks? Offer her a contract marriage. Carrington suggested her brother's surgery in exchange for her hand. Hook her with the bait, then reel her in. My boy. Would it work? Nathan wasn't sure. All he knew was that once he had Amelie, he'd never let her go. Amelie Cavanaugh has survived a lifetime of hardships, losing her parents at eight, escaping foster care with her brother at fourteen, and fighting tirelessly to put herself through university. Just when life finally seemed to be falling into place, tragedy struck: her brother collapsed during a football game, leaving her desperate for help. Billionaire Dr. Nathan Michaels has everything—looks, power, and money—but his reputation as a playboy threatens his chance of inheriting the family empire. His grandfather gives him an ultimatum: marry within six weeks or lose everything. A fleeting glimpse of Amelie in the hospital café sets Nathan's heart ablaze, and when fate ties their lives together, he knows she's the one. But to win her, Nathan must offer a dangerous bargain: a marriage contract that could save her brother's life and bind her to him forever. What begins as a deal soon ignites into something neither of them can control. But when dark family secrets resurface, threatening to destroy both their futures, will Nathan and Amelie's fragile love survive? **River Child** Eleanor Millard, 2011-09

River Child is a collection of nineteen linked short stories set in the magnificent Klondike in the famous gold rush town of Dawson City, Yukon Territory. The book explores questions of cross-cultural relationships, personal identity, and the strength of First Nations' commitment to the family through three generations. Dave Maclean is a White man from Saskatchewan who lives with Maggie, a First Nation woman in Moosehide, the native village close to Dawson City. Maggie dies from tuberculosis. Their child, Eliza, is sent to an abusive residential school, hundreds of miles away. Eliza runs away to come back home and eventually gives birth to Selena, whom she leaves to be cared for by Dave. Much of the book explores the personal and social conflicts experienced by Eliza and Selena while Dave observes his child and grandchild becoming alcoholic. Several unique characters influence the life of the Maclean family, including Selena's grandmother, her best friend, her father, her brothers, and her boyfriend. While the overall story is realistically sombre, it is always hopeful. *Letters from My Dad...and Reflections of My Mother* Beresford K.

Striking a Light Louise Raw,2011-03-10 In July 1888 fourteen hundred women and girls employed by the matchmakers Bryant and May walked out of their East End factory and into the history books Louise Raw gives us a challenging new interpretation of events proving that the women themselves not celebrity socialists like Annie Besant began it She provides unequivocal evidence to show that the matchwomen greatly influenced the Dock Strike of 1889 which until now was thought to be the key event of new unionism and repositions them as the mothers of the modern labour movement Returning to the stories of the women themselves and by interviewing their relatives today Raw is able to construct a new history which

challenges existing accounts of the strike itself and radically alters the accepted history of the labour movement in Britain
