Evans,2021-10-05 Jesus and the Manuscripts by popular author and Bible scholar Craig A Evans introduces readers to the diversity and complexity of the ancient literature that records the words and deeds of Jesus This diverse literature includes the familiar Gospels of the New Testament the much less familiar literature of the Rabbis and of the Qur'an and the extracanonical narratives and brief snippets of material found in fragments and inscriptions This book critically analyzes important texts and quotations in their original languages and engages the current scholarly discussion Evans argues that the Gospel of Thomas is not early or independent of the New Testament Gospels but that it should be dated to the late second century He also argues that Secret Mark like the recently published Gospel of Jesus Wife is probably a modern forgery Of special interest is the question of how long the autographs of New Testament writings remained in circulation Evans argues that the evidence suggests that most of these autographs remained available for copying and study for more than one hundred years and thus stabilized the text Key points and features Written by popular author and Bible scholar Craig A Evans

Includes 20 pages of high quality color photos Walks readers through the various works of ancient literature both biblical and non biblical that mention Jesus Critically analyzes important texts and quotations in their original languages and engages the current scholarly discussion *Rituals and Practices in World Religions* David Bryce Yaden,Yukun Zhao,Kaiping Peng,Andrew B. Newberg,2020-02-03 This book codifies describes and contextualizes group rituals and individual practices from world religious traditions At the interface of religious studies psychology and medicine it elucidates the cultural richness of practices and rituals from numerous world religions The book begins by discussing the role that religious rituals and practices may play in the well being of humans and the multi dimensional cultural and psychological complexity of religious rituals and practices It then discusses rituals and practices within a number of religions including Christian Islamic Jewish Buddhist Taoist Sikh Hindu Confucian and other traditions There is a need for a more inclusive collection of religious rituals and practices as some practices are making headlines in contemporary society Mindfulness is one of the fastest growing psychological interventions in healthcare and Yoga is now practiced by tens of millions of people in the U S A These practices have been examined in thousands of academic publications spanning neuroscience psychology medicine sociology and religious studies While Mindfulness and Yoga have recently received widespread scientific and cultural attention many rituals and practices from world religious traditions have remained underexplored in scholarly scientific and clinical contexts This book brings more diverse rituals and practices into this academic discourse while providing a reference guide for clinicians and students of the topic
