where you need to go *Lady Liberty* Joan Marans Dims,2019-09-03 Magnificent art complements an unvarnished history of the Statue of Liberty and its relationship to immigration policy in the United States It began in 1865 in Glatigny France at a dinner party hosted by esteemed university professor douard Ren de Laboulaye and attended by among others a promising young sculptor Fr d ric Auguste Bartholdi It was the extravagant notion of creating and giving a monumental statue to America that celebrated the young nation s ideals Bartholdi and later civil engineer Alexandre Gustave Eiffel caught the spirit of the project and thus began the epic struggle to create build transport and pay for the monument Although the Statue of Liberty was to be a gift from France the cost of its creation was meant to be shared with America To the Lady s creators and supporters America offered liberty and the right to live one s life unencumbered that is without fear and with a rule of law and a government that derived its power from the consent of the people it governed Yet in America fundraising for the Lady dragged Had it not been for publisher Joseph Pulitzer s flashy fundraising campaign in his newspaper the World the entire project likely would have collapsed The tale abundant with lively and interesting stories about the Statue of Liberty s creators is also told in the context of America s immigration policies past and present Explored too is the American immigrant experience and how it viscerally connects to the Lady Also integral to the tale is poetry a sonnet written by a then largely unknown Jewish poet Emma Lazarus who moved a nation and gave a deeply rich and fresh meaning and purpose to the statue In addition to the prose Lady Liberty includes thirty three elegant full page stirring paintings by celebrated artist Antonio Masi Lady Liberty a smart timely entertaining and nonpartisan jewel of a book is written for every American young and old and those who dream of one day becoming Americans Praise for Lady Liberty A beautiful reminder of what makes us so special blended with the history that tells us that if America loses our welcoming soul we have lost what makes us so special David Lawrence Jr retired publisher of the Miami Herald and chair of The Children s Movement of Florida Now at a time when immigration is hotly debated Lady Liberty helps both residents of New York and enthusiastic visitors like me appreciate the history culture and artistry behind this monument that for generations has welcomed immigrants to America Richard A Oppel Sr editor in chief emeritus Texas Monthly and chair of the Pulitzer Prize Board 2008 2009 *Insight Guides Pocket New York* APA Publications Limited,2016-04-18 Whether you re looking for iconic sights prestigious art galleries or simply want to experience the buzz of this fast moving city New York has something for everyone Be inspired to visit by the brand new Insight Pocket Guide New York a concise full color guide to this inspiring city that combines lively text with vivid photography to highlight the best that New York has to offer Inside Insight Pocket Guide New York Where To Go details all the key sights in the city from Times Square and Fifth Avenue to Central Park and Greenwich Village while handy maps on the cover flaps help you find your way around and are cross referenced to the text Top 10 Attractions gives a run down of the best sights to take in on your trip including the Empire State Building the Statue of Liberty and its finest art galleries and museums A Perfect Day in New York provides an itinerary for one day in the city What To Do is a snapshot of
