contextualizes these familiar categories of object in the patterns of belief and ritual extracted from contemporary texts and the objects themselves in order to understand their meaning within the everyday lives of those by whom and for whom they were made The studies give a nuanced delineation of the inherently ambiguous boundary between conventional religion and magic noting repeatedly those instances wherein the two are invoked in the same breath and by way of the same art object toward the same end From this historically constructed matrix of art belief and ritual the author derives an anthropologically defined paradigm of charisma and pilgrimage applied in one essay as an intriguing parallel to deconstructing the world of a contemporary secular saint Elvis Presley All the Available Light Yona Zeldis McDonough,2011-01-11 No star in any genre has affected the world as deeply or has lasted as long without fading as Marilyn Monroe This thought provoking and wide ranging collection of essays examines the undiminished incandescence of Marilyn Monroe the impact she has had on our culture the evolution of her legend since her death and what she tells us now about our lives and times and includes previously unpublished work from some of America s best writers such as Joyce Carol Oates Alice Elliot Dark Albert Mobilo Marge Piercy Lore Segal Lisa Shea and many more From her troubled family beginnings to the infamous 13 million auction held at Christie s in New York City All the Available Light paints an unforgettable portrait of Marilyn as you ve never seen her before This extremely rare cover photo was taken c 1954 on the set of The Seven Year Itch **Meggs' History of Graphic Design** Philip B.
