The Missing JFK Assassination Film Gayle Nix Jackson, 2016-07-12 Orville Nix is not the typical JFK assassination book This book does not attempt to answer the question of who killed John F Kennedy instead it addresses why we should question the actions of those involved and why the truth was withheld from the people Though copies of Orville Nix's film exist the original film is missing Why The FBI confiscated Orville's camera for several months then returned it in pieces Were these actions sinister or were they just examples of governmental incompetence Orville Nix exposes information about the House Select Committee staff's involvement in the missing film Author Gayle Nix Jackson's interviews with people who were close to Orville and the film will shed light on the government's involvement with the filmmaker Gayle Nix Jackson is the granddaughter of Orville Nix As his eldest granddaughter Nix Jackson shares experiences growing up with her beloved grandfather and on how his views changed after that fatal day Hearing his story precipitated the quest Jackson is still on to find the film Her grandfather was there that day for a reason and if the original Nix film could be located modern day technology could determine if there was indeed another person behind the stockade fence or not Questions still abound today as to whether or not the film was altered Finding the original Nix film would answer one of the most enduring questions related to this horrific event Was there a conspiracy to kill John F Kennedy on November 22 1963 Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

I Hated, Hated, Hated This Movie Roger Ebert, 2022-05-24 The Pulitzer Prize winning film critics offers up more reviews of horrible films Roger Ebert awards at least two out of four stars to most of the more than 150 movies he reviews each year But when the noted film critic does pan a movie the result is a humorous scathing critique far more entertaining than the movie itself *I Hated Hated Hated This Movie* is a collection of more than 200 of Ebert's most biting and entertaining reviews of films receiving a mere star or less

from the only film critic to win the Pulitzer Prize Ebert has no patience for these atrocious movies and minces no words in skewering the offenders Witness Armageddon 1998 The movie is an assault on the eyes the ears the brain common sense and the human desire to be entertained No matter what they re charging to get in it s worth more to get out The Beverly Hillbillies 1993 Imagine the dumbest half hour sitcom you ve ever seen spin it out to ninety three minutes by making it even more thin and shallow and you have this movie It s appalling North no stars 1994 I hated this movie Hated hated hated hated hated this movie Hated it Hated every simpering stupid vacant audience insulting moment of it Hated the sensibility that thought anyone would like it Hated the implied insult to the audience by its belief that anyone would be entertained by it Police Academy no stars 1984 It s so bad maybe you should pool your money and draw straws and send one of the guys off to rent it so that in the future whenever you think you re sitting through a bad comedy he could shake his head chuckle tolerantly and explain that you don t know what bad is Dear God 1996 Dear God is the kind of movie where you walk out repeating the title but not with a smile The movies reviewed within I Hated Hated Hated This Movie are motion pictures you ll want to distance yourself from but Roger Ebert s creative and comical musings on those films make for a book no movie fan should miss
