Emaux Et Camees , **A Study of the Imagery in Theophile Gautier's Emaux Et Camees** Warren Bruce McClanahan,1965 *Émaux et camées* Théophile Gautier,1927 **Seductive Resistance** Constance Gosselin Schick,1994

Gautier's poetry merits an attentive reading which respects his own essential criterion of poeticity namely textuality This is a poetry which puts on display its literariness that is its existence as cultural artifact In so doing however it also puts on display the absence of and its resistance to whatever personal or real signified it would evoke or name Its beauty and self indulgent pleasure reveal their hollowness and inadequacy Its chiseled polished surface renders its borders or limits and its play unsatisfyingly and teasingly perceptible Its very superficiality allows invites and seduces the reader to go entre les lignes and perceive the mystery not of what has been symbolically buried unburied concealed revealed but of the truly absent the ab mes superficiels Chapter 1 focusing on texts from the Poésies of 1830 studies the intertextual repetition of Gautier's poetry the citations imitations and transpositions which make evident the poetry's displacement of the significant and the personal into aesthetic simulacra Chapter 2 deals with the poems of Gautier's second collection *Albertus* and analyzes the use of allegory and of humor as further markers of textual substitution The inherent lifelessness and illusoriness of the textual artifact is revealed in the poems of *La Comédie de la Mort* the collection examined in chapter 3 Chapter 4 analyzes the so called descriptive referential poetry of *Espana* and finds that the monde extérieur of Gautier's poetry functions to express an absence of self and is itself always shown to be other than the Other The diminution of the poetic effected in *Emaux et Camées* is the subject of chapter 5 and chapter 6 deals with the contextuality the fetishism and the eroticism revealed in a miscellany of poems in particular the libertine poems which do not figure in Gautier's five major collections By short circuiting significations and transforming them into seductive appearances Gautier reveals himself to be the acknowledged maître of both Baudelaire and Mallarmé **Émaux et camées** Théophile Gautier,1852 **Emaux et camées** Théophile Gautier,1887
