Embattled Courage The Experience Of Battle In The American Civil War

Kevin M. Levin

Embattled Courage The Experience Of Battle In The American Civil War:

Embattled Courage Gerald Linderman, 2008-06-30 Linderman traces each soldier's path from the exhilaration of enlistment to the disillusionment of battle to postwar alienation. He provides a rare glimpse of the personal battle that raged within soldiers then and now.

Embattled Courage Gerald F. Linderman, 1987 Contrasts the differences between the expectations and experience of battle for Civil War soldiers and discusses the concepts of courage and honor.

A Journal of the American Civil War: V4-3 Theodore P. Savas, David A. Woodbury, 2021-12-31 Balanced and in depth military coverage all theaters North and South in a non partisan format with detailed notes offering meaty in depth articles original maps photos columns book reviews and indexes. Notable titles of 1994 Buckner's unpublished report of the Kentucky Campaign author Mark Bradley talks about the Battle of Bentonville.

The American Civil War Steven E. Woodworth, 1996-12-09 The single most important volume for anyone interested in the Civil War to own and consult. From the foreword by James M. McPherson. The first guide to Civil War literature to appear in nearly 30 years, this book provides the most comprehensive up to date and informative survey and analysis of the vast body of Civil War literature. More than 40 essays each by a specialist in a particular subfield of Civil War history offer unmatched thoroughness and discerning assessments of each work's value. The essays cover every aspect of the war from strategy tactics and battles to logistics intelligence supply and prisoner of war camps from generals and admirals to the men in the ranks from the Atlantic to the Far West from fighting fronts to the home front. Some sections cover civilian leaders the economy and foreign policy while others deal with the causes of war and aspects of Reconstruction including the African American experience during and after the war. Breadth of topics is matched by breadth of genres covered. Essays discuss surveys of the war general reference works published and unpublished papers diaries and letters as well as the vast body of monographic literature including books dissertations and articles. Genealogical sources historical fiction and video and audio recordings also receive attention. Students of the American Civil War will find this work an indispensable gateway and guide to the enormous body of information on America's pivotal experience.

"Deliver Us from This Cruel War" Joseph J. Hoyle, 2010-03-16 Joseph J. Hoyle enlisted in the Confederate Army in May 1862 as a private. By the time of his death in September 1864 he was serving as a lieutenant in the 55th Regiment North Carolina Troops. The personal letters of this soldier supplemented by the editor's overview of the events and actions of the regiment offer a view of the common soldier as well as battlefield and camp culture. The letters also reveal among other things how this former schoolteacher urged his fellow soldiers forward at Gettysburg despite a sense that the cause was lost.

A Journal of the American Civil War: V4-2 Theodore P. Savas, David A. Woodbury, Gary D. Joiner, 2021-12-31 Balanced and in depth military coverage all theaters North and South in a non partisan format with detailed notes offering meaty in depth articles original maps photos columns book reviews and indexes. Gray's Louisiana Brigade Union Naval Expedition Beard and the Consolidated Crescent Regiment Campaign Letters. Touring the

Red River Campaign The Loyal, True, and Brave Steven E. Woodworth, 2002-04-01 Courage perseverance and dedication were hallmarks of the Civil War soldier These qualities along with their disarming humanness have lent an enduring attraction to their story In The Loyal True and Brave America's Civil War Soldiers readers will learn how the soldier's story has changed over the years being told in different ways as passing generations introduced their own questions and interests Steven Woodworth weaves together a variety of writings by historians and by Civil War soldiers themselves so that readers are presented with a lively balanced picture of all the major aspects of the Civil War soldier's life Woodworth presents the experiences of both Union and Confederate soldiers so readers gain equal perspective on the men who enlisted for North and South The Loyal True and Brave contains detailed descriptions of every facet of the soldier's life including enlistment combat hospitals prison and camp life Included are writings by Civil War soldiers Abner R Small an officer in a Maine regiment John C Reed a lawyer planter from Georgia and member of the 8th Georgia and German immigrant Johann Stuber of the 58th Ohio Renowned historians Reid Mitchell Bell I Wiley James M McPherson Earl J Hess and Gerald F Linderman are also featured Each chapter begins with an introduction by Woodworth discussing the general topic of that chapter and the historiographical issues involved These selections offer the best brief introduction available on Civil War soldiers and the historians who have written about them The Loyal True and Brave is ideal for courses on the Civil War and Reconstruction American nineteenth century history and American social and cultural history **A Companion to the U.S. Civil War** Aaron Sheehan-Dean, 2014-02-05 A Companion to the U S Civil War presents a comprehensive historiographical collection of essays covering all major military political social and economic aspects of the American Civil War 1861 1865 Represents the most comprehensive coverage available relating to all aspects of the U S Civil War Features contributions from dozens of experts in Civil War scholarship Covers major campaigns and battles and military and political figures as well as non military aspects of the conflict such as gender emancipation literature ethnicity slavery and memory Late to the Fight Alexandre F. Caillot, 2025-05-07 In Late to the Fight Alexandre F Caillot explores the combat performance of the Union soldiers who filled newly raised regiments that fought through the Civil War's final year Historians have typically regarded these late enlistees as substandard to those who signed on at the war's start Using the experiences of the 17th Vermont and 31st Maine Volunteer Infantry Regiments to assess the record of late arriving soldiers under fire Caillot shows that these forgotten boys in blue left behind a record of valor and sacrifice essential to achieving the destruction of the Confederacy A Companion to the U.S. Civil War, 2 Volume Set Aaron Sheehan-Dean, 2020-05-05 A Companion to the U S Civil War presents a comprehensive historiographical collection of essays covering all major military political social and economic aspects of the American Civil War 1861 1865 Represents the most comprehensive coverage available relating to all aspects of the U S Civil War Features contributions from dozens of experts in Civil War scholarship Covers major campaigns and battles and military and political figures as well as non military aspects of the conflict such as gender emancipation literature ethnicity slavery

and memory Those Who Have Borne the Battle James Wright, 2012-05 At the heart of the story of America's wars are our citizen soldiers those hometown heroes who fought and sacrificed from Bunker Hill at Charlestown to Pointe du Hoc in Normandy and beyond without expectation of recognition or recompense Americans like to think that the service of its citizen volunteers is and always has been of momentous importance in our politics and society But though this has made for good storytelling the reality of America's relationship to its veterans is far more complex In *Those Who Have Borne the Battle* historian and marine veteran James Wright tells the story of the long often troubled relationship between America and those who have defended her from the Revolutionary War to today shedding new light both on our history and on the issues our country and its armed forces face today From the beginning American gratitude to its warriors was not a given Prior to World War II the prevailing view was that as citizen soldiers the service of its young men was the price of citizenship in a free society Even Revolutionary War veterans were affectionately but only temporarily embraced as the new nation and its citizens had much else to do In time the celebration of the nation's heroes became an important part of our culture building to the response to World War II where warriors were celebrated and new government programs provided support for veterans The greater transformation came in the wars after World War II as the way we mobilize for war fight our wars and honor those who serve has changed in drastic and troubling ways Unclear and changing military objectives have made our actions harder for civilians to stand behind a situation compounded by the fact that the armed forces have become less representative of American society as a whole Few citizens join in the sacrifice that war demands The support systems seem less and less capable of handling the increasing number of wounded warriors returning from our numerous and bewildering conflicts abroad A masterful work of history *Those Who Have Borne the Battle* expertly relates the burdens carried by veterans dating back to the Revolution as well as those fighting today's wars And it challenges Americans to do better for those who serve and sacrifice today *Remembering The Battle of the Crater* Kevin M. Levin, 2012-07-01 The battle of the Crater is known as one of the Civil War's bloodiest struggles a Union loss with combined casualties of 5 000 many of whom were members of the United States Colored Troops USCT under Union Brigadier General Edward Ferrero The battle was a violent clash of forces as Confederate soldiers fought for the first time against African American soldiers After the Union lost the battle these black soldiers were captured and subject both to extensive abuse and the threat of being returned to slavery in the South Yet despite their heroism and sacrifice these men are often overlooked in public memory of the war In *Remembering The Battle of the Crater War is Murder* Kevin M Levin addresses the shared recollection of a battle that epitomizes the way Americans have chosen to remember or in many cases forget the presence of the USCT The volume analyzes how the racial component of the war's history was portrayed at various points during the 140 years following its conclusion illuminating the social changes and challenges experienced by the nation as a whole *Remembering The Battle of the Crater* gives the members of the USCT a newfound voice in history *Brutes In Suits* John Pettegrew, 2021-04-27 A vivid

massively researched history of hyper masculine sensibility An instructive and provocative view of men s dark side Peter Filene *Men and Masculinities* Are men truly predisposed to violence and aggression Is it the biological fate of males to struggle for domination over women and vie against one another endlessly These and related queries have long vexed philosophers social scientists and other students of human behavior In *Brutes in Suits* historian John Pettegrew examines theoretical writings and cultural traditions in the United States to find that Darwinian arguments to the contrary masculine aggression can be interpreted as a modern strategy for taking power Drawing ideas from varied and at times seemingly contradictory sources Pettegrew argues that traditionally held beliefs about masculinity developed largely through language and cultural habit and that these same tools can be employed to break through the myth that brutishness is an inherently male trait A major re synthesis of late nineteenth and early twentieth century manhood *Brutes in Suits* develops ambitious lines of research into the social science of sexual difference and professional history s celebration of rugged individualism the hunting and killing genre of popular men s literature that master text of hypermasculinity college football military culture war making and finding pleasure in killing and patriarchy sexual jealousy and the law This timely assessment of the evolution of masculine culture will be welcomed and debated by social and intellectual historians for years to come Pettegrew s book remains rigorous and passionate in its narration of the historic appeal as well as the immediate dangers of de evolutionary masculinity *American Historical Review* [The American Civil War](#) Ian Frederick Finseth, 2006 This anthology brings together a wide variety of both well known and more obscure writing from and about the Civil War along with supplementary appendices to facilitate its use in courses The selections include short fiction poetry public addresses diary entries song lyrics and essays from such figures as Walt Whitman Ambrose Bierce Stephen Crane and Louisa May Alcott as well as Abraham Lincoln Frederick Douglass Jefferson Davis and Ulysses S Grant The writing not only includes those directly involved in the war but also those writing about the war afterward to include the perspective of historical memory This collection makes a perfect addition to any course on Civil War history or literature as well as courses on popular memory **To Live and Die** Kathleen Diffley, 2004-05-24 An anthology of Civil War stories from nineteenth century magazines **Crisis of the Ottoman Empire** James J. Reid, 2000 This work focuses upon the military problems of the Ottoman Empire in the era 1839 to 1878 The author examines the Crimean War 1853 to 1856 from the perspective of the Ottoman army using British and French sources as well as the few available Ottoman materials Scholarship on the war has ignored this aspect but the high quality of work about the British French and Russian involvement in the war has enabled the present study to advance its own work The inability of the Ottoman high command to learn the lessons of the Crimean War led to serious defeats in the Russo Turkish War of 1877 1878 Revolts occurring in this period also receive attention While the book analyzes the nature of war in the Balkans and Anatolia its primary objective is the study of the war s social and psychological influences This perspective runs as a theme throughout the book but the author focuses on the psychological aspects in the final chapter using comparative

perspectives All for the Regiment Gerald J. Prokopowicz, 2014-03-24 Despite its important role in the early years of the Civil War the Army of the Ohio remains one of the least studied of all Union commands With All for the Regiment Gerald Prokopowicz deftly fills this surprising gap He offers an engaging history of the army from its formation in 1861 to its costly triumph at Shiloh and its failure at Perryville in 1862 Prokopowicz shows how the amateur soldiers who formed the Army of the Ohio organized themselves into individual regiments of remarkable strength and cohesion Successive commanders Robert Anderson William T Sherman and Don Carlos Buell all failed to integrate those regiments into an effective organization however The result was a decentralized and elastic army that was easily disrupted and difficult to command but also nearly impossible to destroy in combat Exploring the army's behavior at minor engagements such as Rowlett's Station and Logan's Cross Roads as well as major battles such as Shiloh and Perryville Prokopowicz reveals how its regiment oriented culture prevented the army from experiencing decisive results either complete victory or catastrophic defeat on the battlefield Regimental solidarity was at once the Army of the Ohio's greatest strength he argues and its most dangerous vulnerability **Atlas of the Civil War** Steven E. Woodworth, Kenneth J. Winkle, 2004-12-02 From two esteemed Civil War historians comes an unparalleled portrait of the war that altered the foundation of America Pithy text is accented by black and white photography and illustrations that bring key characters and settings to life **The American Civil War** Ethan S. Rafuse, 2017-11-28 The largest and most destructive military conflict between the Napoleonic Wars and the First World War the American Civil War has inspired some of the best and most intriguing scholarship in the field of United States history This volume offers some of the most important work on the war to appear in the past few decades and offers compelling information and insights into subjects ranging from the organization of armies historiography the use of intelligence and the challenges faced by civil and military leaders in the course of America's bloodiest war **The Civil War** Rachel Filene Seidman, 2001 Chronicles the American Civil War through wartime documents illustrations and photos
