vampire life and the many expressions of vampirism as it now exists In Vampires Today The Truth about Modern Vampirism Joseph Laycock argues that today s vampires are best understood as an identity group and that vampirism has caused a profound change in how individuals choose to define themselves As vampires come out of the coffin as followers of a religion or lifestyle or as people biologically distinct from other humans their confrontation with mainstream society will raise questions as it does here about how we define normal and what it means to be human The ABRAXAS Series Cinsearae Abraxas Cinsearae Santiago, 2009-04-06 Abraxas clanster Jonathan stumbles upon a skeleton key he believes was part of someone s Halloween costume What it really winds up being is a demon s not so subtle way of getting Jonathan to do his dirty work for him Jonathan's wishes start to give his Clan more headache and hassle than the fun he hoped they would as fellow trick or treaters and party goers start becoming the things they re dressed up as with horrifying results and much MUCH worse Contemporary Esotericism Egil Asprem, Kennet Granholm, 2014-09-11 The study of contemporary esoteric discourse has hitherto been a largely neglected part of the new academic field of Western esotericism Contemporary Esotericism provides a broad overview and assessment of the complex world of Western esoteric thought today Combining historiographical analysis with theories and methodologies from the social sciences the volume explores new problems and offers new possibilities for the study of esoterica Contemporary Esotericism studies the period since the 1950s but focuses on the last two decades The wide range of essays are divided into four thematic sections the intricacies of esoteric appeals to tradition the role of popular culture modern communication technologies and new media in contemporary esotericism the impact and influence of esotericism on both religious and secular arenas and the recent de marginalization of the esoteric in both scholarship and society Shadow Magick Compendium Raven Digitalis, 2008 Embracing the darkness is part of divine balance Everyone has a shadow a dark side Exploring the shadow self is not only safe it s necessary for balance and healing The author of Goth Craft invites you down a unique magical path for navigating inner and outer darkness and harnessing the shadow for spiritual growth Shadow Magick Compendium sheds a positive light on this misunderstood and rarely discussed side of magical practice. R Vernor better known by his pen name Corvis Nocturnum has been illustrating book covers catalogs bands CD covers and has had work in Julie Strain's Nightmare on Pinup Street Now collected here is a glimpse of the art itself but various never before seen images of the works in progress and the artists background and thoughts behind the works themselves From the introduction by Joseph Vargo The imagery that is depicted in the art of Corvis Nocturnum is at times surreal stark and unsettling yet there is an underlying beauty to be found within each painting As a writer Corvis boldly strives to shed light on the dark subcultures of the world and his libertine attitude carries over into his artwork which unflinchingly examines similar taboo topics Unrestricted by conventional boundaries his Satanic and erotic themes truly embrace the darkness within his soul His artwork mixes traditional gothic elements such as ravens and vampires with fallen angels and S M vixens to create raw impressions of a dark and unadulterated realm
