Emergency Medicine Pearls:

Emergency Medicine Q&A: Pearls of Wisdom, Third Edition Joseph R. Lex, 2009-04-18 Market emergency medicine residents and recertifying physicians Uses 750 board formatted questions to familiarize students with the actual test Enables students to quickly self evaluate their knowledge of the subject Design has been updated to make reading easier and quicker

Emergency Medicine Pearls Adam J. Singer, Jonathan L. Burstein, Frederick M. Schiavone, 1996 The F A Davis Pearls Series provides concise information covering a wide range of specialties that range from obstetrics to geriatrics surgery to psychiatry orthopaedics to neurology gynecology to emergency medicine The goal of the series is to introduce students to 95% of the clinical problems they are likely to encounter in their rotations and to suggest approaches for dealing with these situations The books are succinctly written so they can be read in a few hours

Emergency Medicine Dwight Collman, Scott H. Plantz, Jonathan Adler, 2000-01-01 The primary intent of this book is to serve as a study aid to improve performance on the EM Written Boards Recertification or EM Inservice Exam To achieve this goal the text is written in rapid fire question answer format Misleading or confusing foils are not provided This eliminates the risk of erroneously assimilating an incorrect piece of information that made a big impression Questions themselves often contain a pearl intended to be reinforced in association with the question answer Additional hooks are often attached to the answer in various forms including mnemonics evoked visual imagery repetition and humour Additional information not requested in the question may be included in the answer The structure and content of this new edition has been enhanced significantly The first half of the text is presented in descending order of relative importance on the EM board exam Information presented in the Pearls Topics sections is mostly limited to straightforward and more basic facts The second section of the book consists of random pearls questions grouped into small clusters by topic presented in no particular order

Emergency Medicine Pearls Elizabeth Alpern, Jill M. Baren, Elizabeth R. Alpern, 2004 In the unique vignette format of the Pearls Series R this book presents a variety of problems that challenge emergency physicians in everyday practice For each patient the authors present the case scenario physical findings lab data and a clinical photo and the reader is challenged to formulate a diagnosis and a treatment strategy The next page reveals the diagnosis discusses the condition and leaves the reader with several pearls of wisdom distilled from the case Actual real life case studies are presented Efficient problem solving self study approach is ideal for board review Important points pearls are distilled from the case presentation Key references offer readers additional resources to consult

Shah and Lucchesi have combined an extraordinary number of the clearest and best clinical photographs and imaging examples with practical straightforward text. It's a winning combination that expedites both diagnosis and the appropriate procedures for dealing with pediatric trauma and disease. *Atlas Of Pediatric Emergency Medicine* puts at your fingertips 700 top quality color clinical photographs plus 100 imaging studies that include X rays, CT scans and more, making it the single most comprehensive visual compilation available for diagnosing pediatric emergencies. Comprehensive coverage of disorders of all body systems. Authoritative, experienced guidance. It's been edited, compiled and largely written by two distinguished experts: one, a physician peer evaluated as one of the finest clinicians and teachers in Emergency Medicine today; the other, the overseer of one of the largest, busiest EDs in the United States. Consistent formatting designed to provide immediate access to clinical features, differential diagnosis, consultation, treatment and disposition, complications and clinical pearls. A superb preparation tool for board exams and subspecialty certification and an unparalleled resource for every medical professional, from ED clinicians and physicians in family or pediatric practice to Nurse Practitioners and Paramedics.

More Case Studies in Emergency Medicine Volker Wenzel, 2025-05-12 Following the successful book *Case Studies in Emergency Medicine*, *More Case Studies in Emergency Medicine* is another book with real, exciting and instructive case studies. Emergency physicians with many years of experience describe often dramatic and humanly touching emergency scene calls with which they have been confronted in the course of their professional lives. Each case is discussed based on the current literature and finishes with a conclusion to help in future practice. It is aimed at all those who work in emergency medicine or the emergency medical service and want to learn from the experience of their colleagues. Emergency physicians and nurses, paramedics and emergency medical technicians receive valuable tips for their own future work. *Case Studies in Emergency Medicine* Volker Wenzel, 2023-09-08 In this book, experienced emergency physicians describe in a way that is both suspenseful and instructive, often dramatic and humanly touching, emergency scene calls with which they have been confronted in the course of their professional lives. Each case is discussed and finishes with a conclusion to help in future practice. Emergency physicians and ambulance staff thus receive valuable tips for their own future work. **Emergency Medicine Questions** Lance W. Kreplick, Scott H. Plantz, 1998
