Deconstructing Will Smith Willie Tolliver, 2022-01-20 Acclaimed actor and rap artist Will Smith has achieved a level of Hollywood fame rarely attained by a Black celebrity Early in his career Smith aspired to be the world s most famous movie star and being named the world s top film attraction in 2008 fulfilled his goal While his rise to a place of worldwide prominence and cultural relevance has made him iconic his accomplishments have not received the full and thorough acknowledgement and analysis they merit This is the first full length critical look at the significance of Will Smith s achievements over a more than 30 year career Many of his films have broken cultural norms by depicting Black men in groundbreaking social settings like the role of the world saving hero in his most popular films In addition to analyzing Smith s filmography this work contextualizes other popular and common portrayals of Black men in media and society Finally this book examines Smith s work in his middle age ruminating on his ability to adapt to the realities of a new Hollywood

The God-Man: Rapture, Wrath, and Reign Bruce Biller, 2013-10-04 The world is astonished by the resurrection of the brilliant Antichrist the murdered tyrant who ruled the global community with an iron fist Now empowered by Lucifer once the guardian of Gods throne the vengeful dictator and his miracle working prophet begin the systematic destruction of their enemies In this chaotic maelstrom the God fearers bravely refuse to give allegiance to a new world order that is diametrically opposed to their beliefs The ageless battle for the hearts and souls of mankind is waged in every nation on earth and a multitude of God fearers are punished for their mutinous

stand by imprisonment torture and death Cosmic disturbance dramatically announces the coming day of the Lord Suddenly millions vanish in the twinkling of an eye prompting the Antichrist to boast of victory over his enemies Ironically the sudden disappearance enrages earths inhabitants already maddened by events that are beyond their control Simultaneously God begins to pour out his wrath upon the earth in a series of judgments that devastate the planet But before the disappearance the torch is passed to a chosen number of Jews They along with a new generation of believers boldly proclaim the message of Jesus until he gloriously returns to the land of his birth There in the sands of the Middle East Christ defeats the evil Antichrist and his followers as he prepares to reign over his temporal kingdom on earth *The Cult Alex*

Paul L. Hedren,2019-04-11 The Battle of the Rosebud may well be the largest Indian battle ever fought in the American West The monumental clash on June 17 1876 along Rosebud Creek in southeastern Montana pitted George Crook and his Shoshone and Crow allies against Sioux and Northern Cheyennes under Sitting Bull and Crazy Horse It set the stage for the battle that occurred eight days later when just twenty five miles away George Armstrong Custer blundered into the very same village that had outmatched Crook Historian Paul L Hedren presents the definitive account of this critical battle from its antecedents in the Sioux campaign to its historic consequences Rosebud June 17 1876 explores in unprecedented detail the events of the spring and early summer of 1876 Drawing on an extensive array of sources including government reports

diaries reminiscences and a previously untapped trove of newspaper stories the book traces the movements of both Indian forces and U S troops and their Indian allies as Brigadier General Crook commenced his second great campaign against the northern Indians for the year Both Indian and army paths led to Rosebud Creek where warriors surprised Crook and then parried with his soldiers for the better part of a day on an enormous field Describing the battle from multiple viewpoints Hedren narrates the action moment by moment capturing the ebb and flow of the fighting Throughout he weighs the decisions and events that contributed to Crook s tactical victory and to his fateful decision thereafter not to pursue his adversary The result is a uniquely comprehensive view of an engagement that made history and then changed its course Rosebud was at once a battle won and a battle lost With informed attention to the subtleties and significance of both outcomes as well as to the fears and motivations on all sides Hedren has given new meaning to this consequential fight and new insight into its place in the larger story of the Great Sioux War
